

Dies Report 'Old Stuff'

Representative Eliot Declares Much of Material in Report is Public Knowledge.

By CHARLES P. STEWART (Central Press Columnist)

Washington, March 17.—(AP)—The Dies report, which is being widely distributed in the United States, is "old stuff," Representative Eliot declared today.

Thomas E. Eliot

The Massachusetts legislator said the report is "old stuff" because it contains nothing that has not been in the public domain for a long time. He said the report is "old stuff" because it contains nothing that has not been in the public domain for a long time.

Unicycles to Work

Gilbert Roney is shown going to work at the Douglas Aircraft plant at Santa Monica, Calif., on his unicycle. At the age of fifteen he was one of three partners in a bicycle store and built the vehicle out of spare parts.

Assembly Line For Ships

Washington, March 17.—(AP)—A tremendous new contract calling for the construction of 200 Liberty cargo ships by means of a secret assembly line technique was announced today by the maritime commission.

A new shipyard, equivalent to 20 convention shipyards, will be built near New Orleans and the 200 ships, each of 10,500 deadweight tons, are all to be completed before the end of 1943.

At the same time the commission announced the award of a contract to the W. A. Bechtel company of San Francisco for a six-way shipyard at San Francisco. It is the San Francisco shipyard that the two contracts involved an expenditure of over \$400,000,000, but were unable to break down the total as between the two contracts.

HEREFORD CATTLE SALE AT WILSON

Wilson, N. C., March 17.—The N. C. Hereford Cattle Co. today announced a sale has been scheduled for Wilson, April 17. It is the annual show of the N. C. State College extension service, continued today.

At the sale will be 35 cowboys, consisting of 1000 head of beef, as well as 13 calves, consisting of small calves, yearlings, two-year-olds, and two or three third year-olds.

It is noted and pointed out that the Hereford cattle will be sold at 10 cents and the sale will be held at the Center Brick Warehouse, Wilson, at 1 o'clock. Last year, the sale was held at the same place.

available and to the disaster zone covering an area 150 miles wide and about 100 miles deep. The water, mostly rural, with only a few scattered cities, was without communications for several hours in many places. Torrential rains followed the high winds and washed out many roads.

Leaf Industry Opposes Hike In Wage Level

(Continued from Page One)

Inc., of Greenville, N. C., asserted that the entire product of his organization was exported and was never in competition with domestic concerns.

He said that since the war began exporting had ceased and expressed the opinion that granting the proposed minimum would result only in widespread unemployment and increased unemployment.

Most of the tobacco now being produced, he said, was being stored by the future.

West Point in 1916 and to be the Distinguished Service Medal for his duties with the AEF in France during the first World War.

Among the men now under MacArthur in Australia are the "considerable numbers" making up the expeditionary force of American ground troops and air corps units, announced yesterday by Secretary of War Stimson.

MacArthur, since first reports of December 10 of Japanese attempt to invade the island of Luzon in the Philippines, has commanded the amazing defense of those islands, fighting the numerically superior Japanese invaders to a standstill on the peninsula of Bataan.

In accordance with plans carefully drawn prior to outbreak of the war,

Canal Zone Stripped for Action

Wreckers in the Panama Canal Zone raze a frame dwelling as an entire residential area is cleared away. Object is to remove everything that could be set afire by enemy incendiary bombs or enemy agents and become beacon flares to guide enemy bombers.

SURGEONS PLAN DURHAM MEETING

Durham, on March 23 will be host to the tenth of 26 "war sessions" being held this month and in April throughout the United States for medical students, interns, physicians, and hospital personnel, under the sponsorship of the American College of Surgeons with the cooperation of the United States Army, the United States Navy, the United States Office of Civilian Defense, and the Procurement and Assignment Service of the Office of Defense Health and Welfare services.

The Durham meeting at the Washington Duke hotel is for medical and hospital personnel in the states of North Carolina, South Carolina, and Virginia, and its purpose is to bring to them the latest and most authentic official information on war medicine and surgery, particularly with respect to treatment of wounds of soft parts, burns, shock, hemorrhage, fractures and injuries to the head and chest methods of administration and organization of military medical service; medical and hospital service in their relation to civilian defense; and enlistment of medical nursing, and technical personnel in the United States Army and Navy.
