was so stunned that the sould not possibly and so seem that that so was a stunned that the sould not possibly and so soon was a sould refer that that so was I mant. Therefore, you must be had not shown site and guessed of course that that the what I mant. The she had not shown site and guessed of course that that the what I mant. The she had not shown site and guessed of course that that the shall proposed that the friendship mish tent to some thing, more; Wayne had suggested that but he had spoken of it as in the far-away future. Thiny sould not known that he had spoken of it as in the far-away future through could not know that he had spoken of it as in the far-away future. Thiny sould not know that he had pot meant it to come this soon silver life had not soon other life had not even meant to speak so soon, while they still were inging up in that don't say, among the stars, sat he had spoken, so now she must give limit shows the arrangement.

"Aren't you going to arrawed me?" he said, learning towards the surface of misself, which they still were night up in that don't say among the stars, sat he had spoken, so now she must give limit soon of the reflect of the still not say that the said she could not come the could not come the could not come the could not come the said she could not come to soon of the reflect ship for her. They said the part of the said the said she could not come the said she could

moment. He had not been fooled by buy her. She was not like other lonely search. connections that Tibby could not loved her. claim. Steena Winters would have made a more fitting wife for Wayne wished she could say more. She shared so much. Courtright, but it was Tibby Lane wished she could promise to think Yes, Tibby would be a very fool-

sight away," he said to Tibby now. ing, she demanded too much. the rest along with hut he was hurt that she didn't. "I "That's all I ask," Wayne said, HAD spoken at last. suppose I have given you too many although of course it wasn't, but he

too, he felt. If only she would look at him, think about him. . . That was her way, always to hold herself, or any small part. And that or course, was why he must have her. Steena now—why should he think of her at this time?—she had given her mind, her heart, even her fantastic. Now he realized that he kisses willingly enough. She would could not appeal to her as one have had a ready answer, realizing might to a child. She did not care the momentousness, of this high for all the things his money could not appeal of a child. She did not care the momentousness, of this high for all the things his money could be at least. to thing it over. Wayne Courtright was begging. Wouldn't she be a very foolish girl indeed to refuse so much, to ask for more? She ought not even need time to think it over. She ought to grasp at the chance with greedy fingers. Her heart ought to leave the could not appeal to her as one might to a child. She did not care the momentousness, of this high the momentousness of this high for all the things his money could evasions, instead of going on in its

the beautiful Steena's cleverness, women in that-Steena again, for There was no one else. Probably Had she been really clever, she instance. She wanted something no one else ever would come into would have put a higher value on more, something that all the money her life, certainly no one who her kisses. Odd, for she, though a in the world, all the background would give her more in every way, hostess, too, in Wayne's company, and heritage could not give. That, had a background and moneyed he realized further, was why he Tommy was only the past, a childhood memory, no longer even that

he wanted. She he had to have.

There, was no sense to love,
Wayne decided, even as Tibby had

It over, giving him hope that she would give the answer he wanted.

Maybe it did not matter whether would marry him.

before him. There was no rhyme, she loved him or not, or was cer-br reason. Since her heart, and her good tain. Maybe your heart did not tell common sense as well, told her that "You don't have to answer me you. Maybe, as Wayne was think- much, maybe it was answering all the rest along with it. Maybe it
