The Fight Is On

date for a symbol in cext year's at the outset and make up our minds now to do what we intend to do. ment for some senter yet. What ours. Americans must and will ache has returnly and he to different, cept it and meet it. so far as we can see, from a definite promulgation, except that the latter will probably contain a brief outline of his platform and policies. And from a trip into the interior of China of his platform and policies. And Find any good hiding places. Topol will bell down, to its final anayets, to his desire to be governor, just contestant.

The State well remembers the heat and bitterness of the struggle for governor in 1936. And a repedead he hasn't yet drawn up his own tition of that fight may be expected personal blueprint of a post-war in 1944 if Gregg Cherry, Professor world?

McDonald and Judge Washelt all int to their gains and in

he race, as now seems fairly certain. For a time it appeared that Cherry ras well out in front. Just before he legislature ended. Judge Warlier year to Raleigh and mixed around with the politicians from all over he State. The professor was observed frequently in those quarters, so. Cherry, of course, was there be for he was a member of the State Senate, serving his second term, after over g in the House three mes, once as peaker. At the time there was a good deal of spinion nat Warnes did not create a sensa m, and that McDonald's old 1936

The 1940 campaign for both govand senator never approached status of a sensation. Both ended appropriate many people had exworld. But with these three gentle nen raming for governor and with Governor Max Gardner contesting Senator Reynolds' seat, it openis that North Carolina is in ala-time, knock-down-andpolitical sweep-takes, war

Pledge of Support

School of the thirteen billion dolin government war bonds asted the frea my in a three weeks mpagn which began today will be simple matter. It will be no pusher. It is going to require genulfacing on the part of some who I desire a hand in the unorecede ded timancial task. We are emsarked on a herculean job; make no stake about that.

Dut it can be done and will be ne. Americans will not let then

short a time for any cause of pur-ners, but there never has been a cause so urgent or so important as this one. Perhaps quotas for other counties seem just as highto them. dura dues to us.

Nowhere has there been heard a expression of doubt about the sur cess of the undertaking. American are accustomed to doing big thingin a big way. There is no reasto suppose that this challenge will or an exception.

"They give their lives; we last

That is the slogan. Could arrow think of a more appropriate motto one that dares us to go the a of to meet the demand? More person with surplus cash would States. part with all of it rather than suender his life. But millions of men have gone to the battle front to rish their lives, and many to give them in order that those of us who remain seland may be spared the horror att sufferings that are today and the last three years and more ave been the lot of countless milcountries that have been tramed under the heel of a ruthiess

In buying these government bands Americans will not only show their appreciation and gratitude for the valor and sacrifice of their ene countrymen, but by lending their money to the government will be making it possible for the fight to be continued on to victory.

We cannot afford to fail our fighte ald ing men; nor ourselves for that raatter. And we shall not fail.

This, of course, does not mean that any one will be justified in doing les than his utmost in this eri-Judge Whom Sharlick says openly our best and our greatest will be nd plantly that he will be a candidormal" announce, and do it quickly. The challenge

What Do You Know About North Carolina?

By FRED H. MAY

What provisions are made to reduce state appropriations to keep them within a decline in tax collections?
 When was Faster first observed.

in North Carolina by the Morayians?

3. What effect did the ruse of Jet-terson pelitical policies have on cus-tons of the North Carolina legisla-

5. Who was the Xorth Carolinian who helped form two constitutions for the State of Texas:
6. What additional oath was required of persons perting married in 1865?

ANSWERS.

 The legislature has authorized the director of the budget to reduce ppropriations to all departments and state institutions if conditionse in tax collections to a point when the tax receipts would not take care of the appropriations set up. When such conditions do develop the director of the budget is instructed to take care of charitable institutions list.

2. The first Festi

2. The first Easter Sunday after the arrival of the first Moray an set-tlers came on April 14, 1754. This was observed at old Bethabara, a few miles west of the present City of Winston-Salem. The first service at Salem was on Easter Sunday, March 31, 1771. Easter Sunday this year, 1943, fulls on the latest day of the year possible, April 25th. The last Easter that fell on this date was in 1836, and the next will not come until after the passing of this Cen-

until arter as participals.

3. The extremely Democratic principals of Thomas Jefferson, and the Jeffersonian era, caused the North Carolina legislature to discard all forms of pump and distinction. One particular custom practiced until that era was that of the speakers of the

done. Americans will not let their lighting men down now, or at any other time. Success of the campangn will constitute a piedge of support to the armon lorces; anything less than that will not be a convincing demonstration for the million, of boys who have left home and fireside and loved ones to go to the far corners of the earth in detensy of our liberties and all that we hold dear.

The \$134,300, over and above book antiseriptions, which is seked in Vance county is a challenge of the tirst magnitude to our people. Never before have we been asked to make a suppondors an investment in an attaining them of the port of the president of the North Carolina Raironal, the road between Goldsboro and Charlotte, for 1865, and that the people did not have the means to rade, even if they wished to do so.

ALEX S. WATKINS SAYS: REPAIR NOW AND MAKE SURE

Wise property owners are check-ing their homes, rental and business reperties now and putting them in od condition for the duration while good condition for the duration while materials and labor are available. There are no restrictions on the amount that can be spent on repairs and upkeep of your property. Check over your buildings now and let as supply the hunder and building ma-terials needed to put them in good condition. Howard, state president, of Erlanger brought an abspiring message, stressing the importance of being active during this war crisis. He urged every Son of America to go buck to his becal camp and begin a campagn of activity for the betterment of his community. Others on the program were Henry A Styres, past state president, of Lexington, C. H. Foreiner, District president, of Lexington; D. W. McCulloch, lessistant state secretary, also of Lexington; and E. M. Blakely, national representative, of High Point.

A delicious barberie dinner was served during the evening.
