**A Message To The Citizens Of Vance County**

The Home Front Pledge Campaign, beginning October 5th in Vance County is an earnest call to every citizen in the nation to assist the Office of Price Administration in its program of fair prices, a fair share of goods for all Americans and the elimination of Black Markets.

During this campaign you will be called upon to pledge not to pay more than top legal prices and not to buy rationed goods without giving ration stamps or coupons.

Vance County, through the Home Front Pledge Campaign, is being called on to rededicate itself to its responsibilities and rights in wartime buying and selling. We of the O. P. A., as part of this wartime community, pledge our complete support to this campaign.

JOEL T. CHEATHAM, Chairman,  
Vance County War Price and Rationing Board.

We The Undersigned Dealers Whole Heartedly Endorse And Support The Home Front Pledge Campaign Starting October 5, 1943 To Stamp Out Black Markets And Unfair And Illegal Trade Practices In This Community.
