

For a Richer Christmas

...UPHOLD YOUR FAITH

The faith that our fathers had in a free country, the right to religious freedom and the beauty of an Old Fashioned Christmas with the traditional holly, the mince meat and turkey. We are thankful for the joys of Christmases in the past and have faith that the future will bring with it even greater stories of happiness with the advent of PEACE.

...CREATE HAPPINESS

The determination to keep the spirit of Christmas a part of American tradition for our fighting men to return to a source of happiness we would not readily relinquish. The measure of happiness we can glean from a world at war is not great, indeed . . . but let us remember the joy that can be derived from doing our job well and from helping others.

...WORK FOR VICTORY

Let our faith in the meaning of Christmas give greater strength to our peace loving hearts. Let us renew our efforts in the mighty cause, united with our Allies, to hasten the dawn of a brighter world, a world more free than it has been in the history of man. Let's work to win, so the Christmas bells of this year will be VICTORY bells Next Year!

Yes, you've shopped and mailed early to save gas and tires; You've tucked War Stamps in with gifts; You've invited boys in the Service to Christmas Dinner; A Service Star may occupy a place in your home; You have not complained when told that the War Effort had consumed your favorite luxury; You've gone about in the true American way, with one thought in mind, to make sure in the future years just that privilege will be yours.
