MEXICAN WARE
Daily, from my shelf,
Unobtrusively they make offer of
their beauty and simplicity:
A pottery pitcher, deep-green as
with-moss,
With graceful, flaring rim,
Its rounded, glossy sides adorned
only by a few lightly-sketched
leaf-sprays;
And a jug of amber glass, bubble-
round and slender-necked,
Touched by light into a gleaming
loveliness,
And colored like sun-warmed brook-
water—
These has some craftsman fashioned,
with patience and thoughtful
care,
From the granulate sand,
From shards of earth,
From the humble and fragrant clay.

Court of Awards Is Held by Girl Scouts

The Girl Scouts held a court of awards in the basement of the First Methodist church Thursday night, February 3, at 7:30 o'clock. The invocation was by Rev. H. K. King and after "The Star Spangled Banner" was sung the pledge of allegiance to the flag was given and the Girl Scout promise.

The chairman of the Henderson Council for Girl Scouts, Miss Carrie Burton, expressed the appreciation of the council to the Methodist church for sponsoring this troop of Girl Scouts. She also asked the aid of the parents and interested friends in helping with hikes and badge work of the troop. Miss Burton then introduced the sponsoring committee from the church, Miss Margaret Gary, chairman, Miss Rosa Long Thomas and Miss Lucy Plummer Jones.

After Miss Gary explained the ranks in Girl Scouting she presented the speakers who in turn presented the awards.

Mrs. I. B. Gary graciously presented the first class badge to her granddaughter, Julia Thomas Gary.

Mrs. John Lee Wester presented the second class badges to Ann Carolyn King, Sallie Jean Kerner and Shirley Ehret.

The inspiring Girl Scout hymn was sung by six scouts.

The following merit or proficiency badges were presented: Grace Jones, drawing and painting, design and cook; Myrtle Alston, musician, dancer; hostess; Gerry Lee Elrod, hostess; my troop, home nursing, first aid, weaving; Julia Gary, star tinker; hostess, free timer; bird tinker; Edith Rose Greene, first aid, home nursing, foot traveler, needlecraft; Ann Griffin, dancer, cook, clothing; hostess; Nancy Jean Hight, my troop, my community; Delores Lord, cook, needlecraft, colorcraft.

After singing a few camp songs, the Scouts closed the program with their goodnight circle.

STANLEY JONES DECLARES CHRISTIANITY IS A TOTALITARIAN RELIGION
Raleigh.—Thousands of people from Raleigh and surrounding communities have heard the great missionary evangelist, Dr. E. Stanley Jones, in a series of meetings here sponsored by the National Preaching Mission and the Raleigh Ministerial Association.

Dr. Jones told his hearers that Christianity demands complete allegiance to the Kingdom of God, which "must have its sway over all of life both individual and social." The noted missionary to India declared that this "totalitarian religion" is the only thing that can answer the pagan totalitarianisms of our day. "And significant enough," he said, "the issue of this totalitarianism is true freedom."

Dr. Jones has addressed mass meetings daily in Memorial Auditorium, held seminars each morning at the First Presbyterian church, spoke over the radio at least once each day and in addition has addressed a number of civic clubs, schools and colleges.

CHURCH WOMEN COMPLETING STATE ORGANIZATION
Durham.—North Carolina church women are completing plans for the organization of a State Council of Church Women, the exact name of which has not yet been determined.

The organization had its beginning at a meeting of representative church leaders in Greensboro, September 21, 1943. Mrs. Walter P. Sprunt, of Winston-Salem, is president, and Mrs. James H. Lightbourne, of Burlington, secretary.

Ballots have been mailed to the various denominations to be used in determining the personnel of the executive committee. The committee will consist of a temporary chairman and secretary and one representative from each of the denominations represented in North Carolina Council of Churches.

It is expected that the organization will be completed in time for the annual convocation of churches scheduled to be held in Charlotte April 11-13. A special recognition service will be held in connection with the convocation. The new organization will be an integral part of the State Council of Churches.

Meredith Alumnae In Founders Rally Here

Meredith college alumnae met in celebration of Founder's day, at the home of Mrs. S. J. Lane, Jr., yesterday afternoon. As part of their meeting they listened to an alumnae broadcast from Meredith.

Mrs. W. W. Parker, president of the local club, presided and read to the members letters from Miss Mae Grimmer, alumnae secretary of the Meredith, and Mrs. Laura Weather- spoon Harrill, president of the Meredith college alumnae association.

The arrival of the first shipment of Meredith plates made by Wedgwood of England was announced in a letter from Mrs. Harrill. The plates have scenes of Meredith forming the border and Miss Ida Potent's autograph on the back. Alumnae are asked to place their orders for the plates with Miss Mae Grimmer.

Mrs. T. L. Dale gave the secretary's report and the treasurer's report was read by Mrs. Parker, in

the absence of Mrs. Sturges Collins, of Middleburg.

The Meredith broadcast opened with the singing of one stanza of "Alma Mater." Mrs. Harrill brought greetings to all Meredith alumnae and presented Dr. Carlyle Campbell, president of the college. Dr. Campbell introduced W. H. Weather- spoon, chairman of the board of trustees, who spoke on a proposed expansion program for Meredith. The expansion includes the erection of at least two new buildings, a chapel and gymnasium. Two more stanzas of the alma mater concluded the fifteen minute broadcast.

A questionnaire on Meredith history was then given the fourteen present, which included alumnae and mothers of alumnae unable to attend the meeting.

The hostess served Russian tea, sandwiches, ham biscuits, cookies, puddings and fruit cake to the attending alumnae.

Demonstrations of Forestry Thinning Given by Graeber

R. W. Graeber, head of forestry extension at N. C. state college, held two forestry thinning and pulpwood cutting demonstrations in Vance county on Friday, February 4.

Twenty-four farmers and 29 4-H club members attended and took part in the demonstration held in the Drewry community. Eighteen farmers and 12 4-H club members attended the demonstration held in the Williamsboro community.

Mr. Graeber outlined the practices of good forestry management and emphasized the importance of thinning to insure maximum growth of marketable timber, selective cutting, and the reforestation of cut-over woodlands and areas unsuitable for crops. He stressed the importance of the forest as a source of farm income when properly managed, and stated that timber owners are losing many thousands of dollars yearly by failing to determine the value of timber before the sale.

Mr. Graeber encouraged these farmers to realize an income now from sales of pulpwood, which is an essential product in the war effort.

P. H. Massey, district soil conservationist from Louisburg, I. R. Mill- ervation representatives, and Lloyd Ler and J. R. Byrd, local soil con- servation agent, attended the two demonstrations and gave valuable assistance.

BARCLAY ON BRIDGE

By Shepard Barclay
"The Authority on Authorities"

WHEN YOU SHOOT THE WORKS
WHEN YOU can't see any way to make your contract except by finding several suits divided in unlikely ways in the hands of your opponents, the only thing for the plucky declarer to do is "shoot the works." Go after exactly the break you need. If you don't get it, at least you have the satisfaction of having tried. And if it does work out as you hoped—oh, boy, isn't that a grand and glorious feeling?

bring in the bacon. That necessitated getting an even break of the outstanding cards in two suits, spades and diamonds. None damaged, he went for it.

Taking the second trick with the club 4, he began work to set up three diamonds ruffing the 4 with the spade 5. To the dummy he went with the spade 7 to the J and ruffed the diamond 6 with the spade Q. The desired three diamonds were now established, so he was ready to try to dispose of the remaining four hostile spades.

The K removed two of them. To dummy he went then with the club Q to the K and played the spade A. When both defenders had to follow suit, he knew he was safely home. On that trick he put one heart, and the three diamonds accounted for the others. He finished the hand by leading the club 3 to the J and 10.
