

Bus Crashes Station With Several Injured

A northbound Atlantic Boulevard bus crashed into a brick building at the Beattown crossroads yesterday about 10:45 a. m. The bus, carrying about 25 passengers, was slightly damaged, but the building sustained considerable damage to the ceiling and roof.

Rain Helps Many Crops

Heavy rain fell Wednesday and Wednesday night, helping many crops in the Beattown area. The rain was especially helpful to the corn crop, which is now well along in the ground.
