Wallace Is Given Okay By The Boss

Capitol Hill Hears Roosevelt Will Not Countenance Change

(By The Associated Press)

Reports spread in congressional circles in Washington today that Vice President Wallace has received presidential best wishes for success in his campaign for second place nomination on a ticket Mr. Roosevelt is expected by many to head in a fourth term bid.

The reports were linked to a conference Wallace had with the President shortly before he took off recently for Siberia and China. Friends in the Senate said Wallace obviously was pleased with the result of the discussion that apparently touched upon political as well as diplomatic matters.

While there has been a clamor on the part of some party members, particularly in the South, for Wallace's replacement, many legislators have come of the conclusion that Mr. Roosevelt will not countenance a change.

This development on the Democratic side come as Indiana, the next to the last state to form a delegation to the June 26 Republican National Committee in Chicago, began picking its 29 delegates. Twenty-two will be chosen in district caucuses tonight (Thursday), and the other seven at the State convention Friday.

The only State then left to act will be Nevada, where six delegates will be chosen June 10. Two each are to be selected to represent Puerto Rico and the Philippines.

Pennsylvania RR Derailment Does Material Damage

Metuchen, N. J., June 1.—(AP)—Several cars of a freight train and the sleeper on the Washington-Boston Express were derailed early today from eastbound tracks on the main line of the Pennsylvania railroad three miles west of here.

No one was injured in the derailment, which railroad spokesmen said was caused by the collapse of fencing on a moving freight car and the spilling onto the roadbed of a load of lumber.

The railroad spokesman said the cars in the rear of the one carrying the lumber were dislodged from the tracks, while a portion of the load had spilled onto the second eastbound track, a cable the sleeper on the express and damaged the under carriage of several passenger cars on the Washington-Boston train.

ST. LOUIS STRIKE HOLDS UP TRAFFIC

St. Louis, Mo., June 1.—(AP)—Most street cars and buses in St. Louis were idle today as some 3,500 operatives went on strike.

The operators, members of the Amalgamated Street and Electric Railway and Motor Coach Employes of American union (AFL), are on an overtime pay controversy.

Stocks Reach To New Highs

New York, June 1.—(AP)—Stocks, led by rails, continued to reach for new five-year market peaks, despite occasional profit-taking headwinds.

In front were Atlantic Coast Line, Bethlehem, Chrysler, Western Union A and United States Rubber.

Bonds and commodities were steady.

AIRPLANE WORKERS PROTEST MASS DISMISSALS

PICKETS CARRYING SIGNS parade in front of the Brewster Aeronautical Corp., Long Island City, N. Y., after they received dismissal notices following the cancellation of Navy contracts for Corsair fighter planes. Eight thousand workers, with a five-day food supply in the plant's canteen, have defied the lay-off by refusing to go home. They have offered to work without pay until a new contract is negotiated. Time Near At Hand For Decisive Blow, Sec. Stimson States

Near Four Million Men Now Overseas And Others Moving

Washington, June 1.—(AP)—Secretary of War Stimson said today that with 3,667,000 Army troops already overseas, the deployment of air and service forces is practically completed, "and the period of decisive action is at hand."

The bulk of forces now moving out of the United States to combat areas is composed of ground troops prepared to use the bases and take advantage of the preliminary air assault by the land forces, Stimson said. Of course, the secretary said, a portion of the air forces will be used in combat operations.

"This force, at the end of protected supply lines stretching more than 30,000 miles and reaching into every continent, represents approximately 45 percent of the total strength of the Army."

"By the end of 1944, the number of troops overseas will be increased to more than 5,600,000 men, approximately two-thirds of the total strength."

Overseas deployment of necessity came first, the Army and air forces, Stimson noted, since it was necessary to build up the force for the eventual major offensive against the enemy. These forces are now ready, he said, and preparations are available for the movement of ground forces to the overseas theaters. The movement "rapidly is nearing its peak."

In speaking of the overseas deployment, Stimson explained that his reference was to total strength, not overseas locations of the forces, which will have to be shifted, at least in part, as the campaign develops. The movement has been made according to a minutely defined pattern set by the United States joint chiefs of staff to fit the overall strategy of war.

Stimson said the air force, with a total strength of approximately 2,247,000 men, slightly less than half of that personnel already overseas.

The movement of ground troops to overseas theaters is just reaching a peak, Stimson said, but obviously more than half of the ground forces are deployed for action overseas.

WEATHER

FOR NORTH CAROLINA:

Fair to partly cloudy and continued warm tonight and Friday.

Quits After Revolt

PRESIDENT Carlos Arroyo del Rio of Ecuador and all members of his cabinet have resigned after a revolutionary junta had seized power in Guayaquil, the country's principal commercial city. Forty persons were reported killed in the uprising led by supporters of the exiled former President, Jose Maria Velasco Ibarra. President del Rio, a firm supporter of pan-American solidarity, took refuge in the United States Embassy. (International)

Dr. Winston Takes Over Welfare Job

Raleigh, June 1.—(AP)—Dr. Ellen Winston, named head of the Meredith College sociology department, resigned the office of public welfare today, after the board chosen to head the office and the fourth commissioner since he office was established in 1937.

Dr. Winston was named to it by Chief Justice W. P. Stacy in a brief ceremony, she succeeded Mrs. W. T. Bost, who retired after 11 years of service.

Dr. Winston is a native of Bryson City and at one time was connected with the Raleigh city schools. For the last four years she has headed the Meredith department.

WILLIAMSTON MAN IN RACE FOR 1948

Raleigh, June 1.—(AP)—Rufus D. (Buddy) Cherry, of Williamston, announced today he would be a candidate for lieutenant governor, subject to the Democratic primary of 1948.

Cherry thus became the first publicity to announce his candidacy for an office four years hence. Traditionally, however, the lieutenant governorship goes to the west next time.

ASHEVILLE YOUTH HELD

Asheville, June 1.—(AP)—Pend of $500 has been posted for George Lyda, 17-year-old son of Mr. and Mrs. W. C. Lyda, of Hilltop, who is held for the grand jury upon recommendation of a coroner's jury which yesterday found that Billy Gaines Hyatt-old son of Mr. and Mrs. Ralph Gaines, of 32 Forsythe street, came to his death as a result of a purshot wound inflicted by the Lyda boy.

Japs' Drive Widens To Four Fronts

China Operations Aimed at Blocking Allies on Coast

(By The Associated Press)

Japanese forces in China offensive today appeared on the verge of expanding into a four-front battle aimed at winning out new Allied bases now virtually dominating the key supporting along the Chinese coast.

Fresh Japanese invasion troops, said the Japanese army, for a drive to join Japanese forces in Indo-China with those in the Canton area.

The Japanese are now pressing toward Chuki, 100 miles from Kweilin, and Liuchow, United States air base on the Kwangsi road.

Fighting in the Changsha area, 200 miles north of Hengyang, was described as "fierce" in Japanese reports.

The Japanese are making a supreme effort to knock China out of the war before the Allies can establish bases on the China coast.
