Be proud

Be proud

The world went mad... Hate, hunger and misery darkened the sun... Children walked the streets of Europe... Clinging on doorsteps, searching for crumbs... Then out of the New World came a new hope... To join the nation, it was his credit... Come a young man called America... Big as the prairie, big as the hills... Fiercely and angry and unbound.

He rolled up his sleeves; he spit on his hands... And then he out-produced the world... Fatly and full but needed weapons of war... The wrath and the might of his people grew... On land, at sea, in the boundless air... Now he's marching on Europe... Side by side with staunch allies... Now he's at the side of his people... With the cruelest foe man ever faced... Now he needs every ounce of his strength...

And because you are his strength... Now you can help us never before... By doing YOUR part... By digging deeper... By buying more bonds than ever before... Buy bonds and be mighty, America... Buy bonds and be proud!

WILL SAVE YOU WEAR AND MONEY!
