# IN MEMORIAM

In loving memory of our dear mother, Sallie Harris, who passed away November 10, 1943, two years ago. Two years ago she left us, For a better world beyond. We could all but hear her whisper, "Your work on earth well done." She is gone but not forgotten, Her smiles were not in vain, To us it seems we have lost her, Our loss was heaven's gain. We pray as we lay down to sleep That God above our soul will keep, That we shall meet her in the sky, Where never more we say good-bye. Four score and one her life was ended, A life of love and hardships blended, 'Twas only her body laid beneath the sod, Because her soul had gone with God. Her Daughter, HELEN YOUNG.

# ... and suddenly it's TOMORROW!

A fighting man steps off a Southern Railway train and his arms form a tight circle around the girl who waited... And suddenly it's "tomorrow!" The long nightmare of war is over... and the world gratefully greets the dawn of a bright new era of Peace. As we eagerly turn to the welcome tasks of peacetime, let's resolve to keep before us the priceless lessons in teamwork which we learned in time of war. Let's remember that it was only through teamwork that the Southland accomplished those miracles of production and transportation which contributed so mightily to final Victory. Let's remember that it is only through teamwork... all Southerners working together and helping one another... that we can continue to build a greater, better Southland. So, let's keep working together... now that our fighting men are coming home to work with us... now that "tomorrow" is here!
