

# Banks To Hold Meetings During The Coming Week

Building And Loan Association Will Follow This Month

Annual stockholder meetings will be held next week by each of the three banks of Henderson, and the building and loan associations will follow later in the month.

The First National Bank will have its meeting on Tuesday, followed by Citizens Bank & Trust Company on Wednesday, and the Henderson Bank of Henderson on Thursday. The Home Building and Loan Association will convene its stockholders on Tuesday, December 10, in the evening and Henderson Building & Loan will follow on a date not yet definitely set, but before the end of January.

Directors will be elected at these meetings, and in most instances directors are expected to follow with stock meetings for choosing of officers. Free charges are anticipated in many instances, and will have unusual reports for their stockholders. The building and loan associations have been retarded for the past few years by reason of the war, and it is expected that the directors will reflect this condition. It is expected that the directors are expected to report a bright outlook for 1946.

## Big Docket For Court On Monday

Judge Parker Will Preside; Will Draw New Grand Jury

Two homicide cases and a large number of lesser charges are on the docket for the one week criminal session of Vance Superior Court to be convened here next Monday. Superior Court Clerk E. O. Falkner said today.

By exchange with Judge John J. Furney of Wilmington, Judge R. Hunt Parker, of this district, will preside and Solicitor E. H. Tyler will prosecute the docket.

Both the homicide cases were brought over from the October term when Judge Parker presided by reason of an exchange. Most of the minor cases were also brought over from that term. Mr. Falkner said that the calendar should be completed during the week, unless one or more of the cases runs into longer time than anticipated.

A six month grand jury must be drawn at this time and will be charged as to its duties by Judge Parker. Names of prospective jurors were drawn by the Vance Board of County Commissioners at their monthly meeting the first Monday in December. There will be two other criminal terms in the first half of 1946 at which this grand jury will function.
