

Two Hurt On Sunday In Wreck

Mrs. John McCormick, of Asheville, and a soldier, Paul Demmeck, stationed at Fort Bragg, were injured in an accident north of the city early Sunday morning.

According to information received, Demmeck was attempting to pass a truck and was struck by Mrs. McCormick.

Demmeck, who suffered a concussion and a fractured neck, was removed to the Army General Hospital at Camp Bragg Sunday afternoon.

Mrs. McCormick is a patient at Mount Pleasant hospital, but before returning to her residence and if her condition was improved at the hospital this afternoon.

No definite information was available as to the number of the accident.

It was reported that Mrs. McCormick's car was in the rear of the car which was involved.

Briley Returns As Operator Of Eveready Chevrolet

James E. Briley, a member of Henderson's first class of the Eveready Chevrolet School, returned to Henderson Sunday afternoon.

Briley was one of the graduates of the school and held the position of chief driver instructor at the Henderson school.

U. L. Moody, who was a member of the first class of the school, will continue to be in charge of the school. Briley will be in charge of the school's operations.

MAN HAD BRICK IN HIS STOMACH FOR 10 YEARS

One man recently stated that 10 years ago he ate a brick in his stomach. This brick was due to the fact that he was hungry and had no money to buy food.

He was taken to the hospital and operated on. The brick was found in his stomach and was removed. He is now recovering from the operation.

INNEH-AID contains 12 Great Herbs that cleanse bowels, clear skin, and remove all impurities from the system. It is a natural and safe remedy for all ailments of the digestive system.

Wins Award

MAJOR HUBERT M. LEWIS

Major Hubert M. Lewis, of the 1st Cavalry Division, was awarded the Distinguished Service Cross for his gallant and distinguished service during the Korean War.

He was cited for his heroic actions during the Battle of Chosin Reservoir in December 1950.

Major Lewis is currently serving with the 1st Cavalry Division at Fort Benning, Georgia.

He is a member of the American Legion and the Veterans of Foreign Wars.

Major Lewis is a native of Henderson, North Carolina.

O'Leary To Train Plane Mechanics In Courses Here

O'Leary's Flying Service of Henderson has been designated as a training agency for World War II veterans who wish to learn the trade of airplane engine mechanics.

The organization has qualified for this position by being designated by the State Commission on Veterans' Education. Four students at the time will be trained in a single class.

Applicants desiring of the training should apply at the local office of the United States Employment Service. They will be held by the O'Leary office and the Veterans' Administration for a maximum of two years while the training is in progress.

Many Car Owners Still Hold Back On City Plates

Only a few more than two-thirds of the automobile owners in Henderson had purchased City of Henderson 1946 automobile license plates today, three weeks after the beginning of the year. When all was over, it was said today at the city clerk's office, total sales at that time were 1047, compared with 1200 in 1945.

The city clerk noted that the delay in the sale of license plates was due to the fact that many owners were waiting for the new plates to be issued.

Some automobile license for 1946 were not issued by the city clerk's office until after the first of the year.

Franklin Barnette Is Shot in Hunting Accident Saturday

Franklin Barnette, 15-year old white youth, was accidentally shot in the left side of the back by Clyde Insoe, Jr., while they were hunting rabbits in the woods of the rear of the Camp-Cole, Building, Company plant on the Raleigh road, Saturday afternoon about four o'clock.

Insoe and his younger brother, Billy, and Leslie McLenore were out hunting and were joined by the Barnette youth. The boys jumped a rabbit and as Insoe fired his gun, Barnette was caught in the fire.

The shot entered sideways in the left side of the back. His condition today was reported as favorable at Mount Pleasant hospital, where he is confined. The gun was a .16 gauge shotgun.

THE TAR HEEL GARDENER

By JOHN H. HARRIS, N. C. State College

January is a good month to read up on the new and study seed catalogues. It is also a good month to do many jobs on the outside. Here are a few of the things that I am planning to do as soon as the weather permits.

My first job will be to finish pruning my bench grapes. The scap-pruning vine has already been pruned. New fruit trees are to be planted and the old ones pruned. Strawberries to be mulched, ground to be prepared for early vegetable, and the following vegetables to be planted: garden peas, onion sets, cabbage, broccoli, and cauliflower. Seed in boxes for transplanting in late February.

There is, of course, no time lost in planting onion seed; but the seed should be planted in January or February if the plants are to get ahead of the grass and weeds. The soil should be finely pulverized, approximately one gallon of fertilizer applied to 100 feet of row and the seed sown directly in the row. When the plants are one to two inches high they should be thinned to stand two to four inches apart. If these onions are cultivated first, that is, no dirt banked up around them, they will produce large "bulbous" onions with

When you have a bad night and wake the next morning feeling feverish, jittery and generally "off", let "BC" lend a helping hand. "BC" offers extra-fast relief because its ingredients are readily assimilated. Also relieves neuritis and muscular aches. 10c and 25c sizes. Use only as directed. Consult a physician when pain persists.

Small crops, those which are often used for home use are the old-fashioned "potato" onion and the "Egyptian" or "top" onion. Both of these onions are grown from sets and seed are not available. The sets may be planted any time between now and Spring. These onions are usually left in the ground year after year and used as they are needed.

SNOW COLLAPSES OXFORD BUILDINGS

Oxford, Jan. 21.—One building collapsed here Saturday and two others gave way under the weight of a five-inch coating of snow.

One wall of the brick building on the corner of Williamsburg and New College streets, owned by Dudley B. Williams and occupied by Williams Cleaners, collapsed Saturday morning. Employees fled the structure, which had been under condemnation for some time, and no one was injured.

S. Corning, co-owner of the roof of Oxford Laundry and Dry Cleaning Company, cracked, but emergency supports were installed and no one was injured.

A report here said the roof of the Agricultural Building at Creedmoor also had fallen in under weight of the snow.

Three local men were accepted for reenlistment in the regular Army by the mobile recruiting station on January 15 and 16. These men who were all prior service men were: Graham I. Evans, RFD 1, Henderson; Daniel Henderson, P. O. Box 102, Henderson; and Clifton Downey, 602 Broadway street, Henderson.

The mobile recruiting station will be in Henderson at the post office for two days on January 22nd and 23rd for the purpose of accepting enlistments and reenlistments in the regular Army. Men who are eligible by induction under selective service and who have not been called for induction are urged to come in and discuss the advantages of voluntary enlistment in the regular Army.

The mobile station is operated by Sgt. James Allen of Danville, Va., and Sgt. Gilbert Bailey of Carthage, N. C. These men will be happy to discuss any phase of the regular Army with all interested persons and will render any assistance on enlistments and reenlistments.

TEST TOBACCO CROP RESULTS ARE GOOD

Max Hill, Jan. 21.—King Thomas, a demonstration farmer in Madison county, has announced encouraging results from an acre of barley tobacco which he handled last year. Using 800 pounds of 3-9-9 tobacco fertilizer and the equivalent of 500 pounds of nitrate of soda on an acre of bottom land, Thomas set his plants early and got a yield of 2,972 pounds of leaf which returned a net check of \$1,498.72. The tobacco was of exceptionally high quality, according to Virgil L. Holloway, assistant county agent.

AROUND TOWN

T. P. A. SECRETARY TO SPEAK

Theo. C. Abele, of St. Louis, Missouri, national secretary-treasurer of the Travelers Protective Association, will speak to members of Post 1 at a meeting in the main dining room at Hotel Vance tomorrow evening at eight o'clock. Members of the post were reminded today, with a request that all be present.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with a medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Discharged

WALTER ALSTON

Walter Alston, son of Mr. and Mrs. William Alston, Henderson, was honorably discharged from the U. S. Army at Fort Bragg on December 27. Alston entered the service in January, 1943, and trained at Camp Young, California. He was attached to the First Army while overseas and wears the ETO ribbon with five battle stars and the good conduct medal.

O'Leary Garage Bldg. North Henderson

"Sure, I know what I'm doing!"

I'm not saying the Army is the right career for everyone, but here's the way I look at it: I was in for four years which gave me \$300 mustering out pay and will give me a \$200 enlistment bonus (\$50 a year). Right off, I get a 90-day furlough with pay and the Army pays all the trainfare. I'm reenlisting in time—within 20 days—so I get back my old rank: staff sergeant. And this pays me the equivalent of \$55 a week. Even a private's pay is equal to \$40 a week these days. Plenty more benefits, too: 30-day vacation every year with pay... Monthly family allotment checks... All G. I. Bill of Rights benefits... Retire in 20 or 30 years. Your nearest recruiting office can give you the whole story.
