

About 2,000 Discharged From Service In County

Approximately 2,000 men and women from Vance county who served in the armed forces of the United States during World War II have already been discharged and returned to civilian life, and approximately 1,200 remain in uniform, B. P. Wyche, veterans' officer for the county, said today he had been informed by the selective service board for the county.

The 1,200 now in service include men who have been drafted or enlisted since the war ended, and are not all veterans of the fighting era of the war, he said.

It is understood, however, that close to 3,000 men and women from this county served during the war, representing approximately ten percent of the 29,946 population of the county in the 1940 Federal census.

Wyche said his information was that most of those who have been discharged have found employment, if they desired it. Quite a number have, of course, returned to college under the GI Bill of Rights plan of assistance for veterans, and others have applied for it and expect to continue their education as soon as details are arranged.

The service officer said he had a detailed roster of activities of former service men and women which he expected to have available for publication at an early date. This, he said, would give a rather complete summary of the service personnel who have been discharged from various branches of the armed forces.

Cooked A Fine Dinner; Then Threw It To Dog

One lady recently stated that she used to throw her own dinner to the dog most of the time. It made her sick just to look at anything to eat. She was swollen with gas, full of blood, had headaches, felt worn out and was badly constipated. Finally she got INNER-AID and says she now eats everything in sight and digests it perfectly. Bowels are regular and normal. She is enjoying life once more and feels like "some other woman" since taking this New Compound.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear way from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Henderson.

HHS Cagers Split Games

Girls Win and Boys Lose to Hillsboro

Henderson high school girls racked up their seventh win of the season last night, winning over Hillsboro 35-29, while the Henderson boys fought desperately to win over a smaller but strong Hillsboro quint, only to fall short by three points, losing 38-35, in games on the local court.

On the opening play in the girls game Liner tossed one in for Hillsboro to give them an early lead which they kept until the end of the first quarter with a score of 6-4. The local lasses worked up a two point lead by the end of the half to make a score of 16-14.

Liner was the outstanding player for Hillsboro, bagging 21 of their 29 points. Roseman and Lloyd scored four points each for the remaining tallies.

High-scoring for Henderson was Parks with 14 points. Sprinkle tossed in eight points; Harris, seven and Finch six. Fouls were heavy on both teams, Henderson girls receiving 19 and Hillsboro, nine.

Henderson boys again made a last minute threat in the game and had come within one point of tying up the game when Laygo bagged one for Hillsboro to give them a three-point win.

The Bulldogs had an advantage in height last night, but the smaller Hillsboro quint really got around on the floor and kept the Henderson cagers on their toes.

"Soe" Langston put in a two pointer for Henderson soon after the opening whistle, but Hillsboro followed with a field goal and the game was tied 2-2 for several minutes. Score at the end of the first quarter was 10-8 in favor of Hillsboro.

The Bulldogs were still trailing at the half 20-17 and at the end of the third quarter, 28-26. The score was again tied at 28-28 during the fourth quarter and Smith put the Bulldogs ahead on a free throw when Hillsboro called too many timeouts.

Leading 36-35 in the closing moments of the game, Hillsboro froze the ball and Lloyd saw a chance to rack up another two pointer and tossed it in just as the whistle blew to end the tilt.

Both teams were penalized frequently, the Henderson quint receiving 18 fouls, from which Hillsboro netted six points in free throws. Hillsboro cagers received 15 fouls and the Bulldogs got seven points in free tosses from them.

Smith led in scoring for Henderson, racking up 12 points. Langston scored nine points; Baskett, five; Reno, four; Goodrich and Williams two each and Mills, one. Coach Dail injected substitutes freely and the reserves did a good job of holding down Hillsboro during the third quarter.

High-scoring for Hillsboro was Lloyd, with 12 points. Frederick racked up nine points; Rosemond, seven; Cates, four and King and Crabtree, three each.

In a preliminary tilt Henderson Jaycees won over Epsom by a score of 28-22. Laygo and Robinson, scoring for first honors for the Bulldogs, with eight points each. Long scored six points and Hale, Denton and Fogleman got two each.

Weldon was high scorer for Epsom, putting in 11 points. Ausbon netted four points; Wilson, three and Finch and Grissom, two each.

The Bulldogs had an easy lead throughout the game, score at the end of the first quarter being 10-1 and at the half, 14-7.

Officials for the games were B. P. Tennell and Glenn Powers, scorers; E. Faulkner and timekeepers, Dot Sneed and Father J. H. King.

HILLIARD FUNERAL THURSDAY AT FOUR

Kittrell Man Died at Maria Parham Hospital Tuesday; Was Native of Warren County.

Funeral services for Norman Bartlette Hilliard, 29, who died at Maria Parham hospital Tuesday afternoon after an illness of about a year and a half, will be held at Oak Ridge Baptist church, near Kittrell, Thursday afternoon at four o'clock. Interment will be in the church cemetery.

Rev. A. W. Icard, pastor of North Henderson Baptist church, will be in charge, assisted by Rev. E. Norfleet Gardner, pastor of the First Baptist church.

Active pallbearers will be Doris Woodlief, Emmett Martin, Melvin Pulley, William Moss, Albert Moss and Hector Moss.

The deceased was a native of Warren county and was the son of Hugh P. and Lucy Folk Paschall Hilliard.

In addition to his parents, he is survived by his wife, Virginia Mae McGhee Hilliard; one daughter, Virginia; three sons, Marshall, Albert and Edgar, all of the home. He is also survived by three sisters, Mrs. Ruth Slaughter, of Oxford, Miss Helen Mae Hilliard, of Kittrell; and three brothers, Palmer Lee, Thomas and James Hilliard, all of Kittrell.

COMMISSIONERS AND SCHOOL BODY MEET

The Vance Board of County Commissioners and the Vance County Board of Education will both hold their monthly meeting next Monday at the court house, it was said today. Neither had a calendar of outstanding business for transaction, and so far as could be learned in advance comparatively brief sessions of both groups are in prospect.

Newspaper advertising will seek out your prospects.

Rip Van Winkle Play Is Postponed Until March 20

The Rip Van Winkle play scheduled to be given at the high school auditorium Thursday afternoon, February 28, has been postponed until Wednesday, March 20, according to an announcement made today by Mrs. Fuller Parham, chairman of the Brownie Scout Troop committee, under whose auspices the play was being brought to Henderson.

Late Tuesday afternoon Mrs. Parham received a telegram from the booking agents of the producer, advising that it would be impossible for them to carry out their engagement here Thursday afternoon because of the serious illness of two members of the cast, which made it necessary for them to postpone their appearance here until Wednesday afternoon, March 30.

Sponsors of the play regret this delay, which was beyond their control, and request all purchasers of tickets to hold the same until Wednesday, March 20, at which time they will be honored. They also desire that it be understood that the play has not been cancelled, but postponed, and that barring any further hazards, the play will be given on the new date, Wednesday afternoon, March 20.

Cherry Praised For His Work In Erwin Walkout

BY LYNN NISBET, Daily Dispatch Bureau

Raleigh, Feb. 27.—Governor Cherry has received many congratulatory messages and personal commendations for his effective intervention in the Erwin mills controversy. The governor modestly declines major credit for bringing about a settlement, but capital square sentiment awards it to him.

DIRECT—During the year that he has served as chief executive Greg Cherry has been often asked to intervene in matters concerning state departments as well as private business, and more often he has been asked to intercede with Federal agencies. His policy has been to defer intervention until all other efforts to achieve results had failed, and then to move in with courage and directness. What he said to heads of the mill and the union at the closed door conference Wednesday will perhaps never be known, but nobody will risk a bet it wasn't couched in plain American language. After that talk he retired from the picture until nearly midnight Friday when it looked like negotiations would break down for the third or fourth time since last October. A few minutes later long-desired settlement was reached and announcement made that mills would reopen as soon as the necessary physical adjustments can be made.

COMPLEX—Issue was complex and intricate. All the governor had to say about it Saturday was the cryptic statement: "I think they finally agreed to disagree about the agreement and go to work."

CONFESSION—A bit of careless typing (note that this one is not blamed on the long-suffering linotype operator) made this column say a few days ago that Col. L. K. Martin, probable candidate in the 10th district, is the only suggested candidate for Congress with a World War II record. The writer knew better and inadvertently left out Fario Rives, an announced candidate in the sixth district. The Greensboro lawyer not only served nearly three years with 21 months overseas, but was awarded several medals for outstanding service and came out of the army with the rank of lieutenant colonel.

AMVETS WILL HOLD MEETING THURSDAY

Henderson Post 15, American Veterans of World War II, AMVETS, will hold their regular weekly meeting Thursday night at 8 p. m. in the city court room in the City Hall. All members are urged to attend and all veterans are welcome.

Sheep Products School

College Station, Raleigh, Feb. 26.—Anticipating a predicted 20 to 25 percent increase in North Carolina wool production this year, H. M. Stumey, animal husbandman of the State College Extension Service, today announced that a sheep products school for farmers from nine of the state's principal wool producing counties will be conducted at the Mountain Experiment Station, Ashe county, on Wednesday, March 6.

COMPLEX—Issue was complex and intricate. All the governor had to say about it Saturday was the cryptic statement: "I think they finally agreed to disagree about the agreement and go to work."

Tax Listing About Over

Tax listing for 1946 is virtually completed for the county, it was said today at the office of Miss Dorothea Woodlief, county accountant and tax supervisor. All list-takers in the eight rural townships have completed their work and turned in their books.

Listing is still in progress for Henderson township at the court house, in charge of George T. Pogram. He estimated that about ten percent of eligible assessments had not yet been placed on the books for 1946 taxes.

Miss Woodlief said it was not possible to determine as yet whether there would be an increase in valuations, although many new names have been placed on the lists, largely service men who have returned to civilian life, and some have purchased automobiles since their discharges.

PERRY PURCHASES DABNEY ROAD LOTS

Several properties on the Dabney road were purchased by Leon W. Perry as shown in deeds filed at the register of deeds office yesterday.

Leon W. Perry and wife bought from R. J. Corbett, Sr., a lot on the Dabney road for \$10 and other considerations.

Mrs. Flora Perry transferred to Leon Perry two and nine-tenths acres on the Dabney road for \$100 and other considerations.

Seven acres on the Dabney road were transferred to Leon W. Perry by Sam C. Hall and wife for \$10 and other considerations.

Grace Hall Stokes transferred a lot on Granite street to W. H. Furman, Jr., and wife for \$1000 and other considerations.

A lot in Henderson township was sold by Robert Person and wife to Mary Williams for \$10 and other considerations.

The sun, electronic experts say, is making noises. The old sports, it seems, have turned into sputters.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

HENDERSON - - - NORTH CAROLINA

Joel T. Cheatham, President

A Message from President Truman

It is of the utmost importance that the American people understand the status and significance of our new Regular Army. It will be the duty of this volunteer Army to help protect the freedoms and maintain the peace we have won at so great a cost.

Atomic power has increased rather than decreased the necessity for our preparation, both in manpower and material. In the coming atomic age, the United States must maintain its military strength—to insure our national security and to promote world order.

Such grave responsibilities obviously cannot be met by anything less than the highest caliber of men. For this reason, I asked Congress for legislation to increase the opportunities of the soldier in the Regular Army. This legislation has been passed and signed by me, and is now in effect.

In serving his country, a man can now get good pay, education, travel and security—with family allowances for his dependents and a new 20-year retirement plan that compares with or exceeds anything in American

industry. These, and the many other advantages of the new Regular Army, should be made known to all our service men and their families.

The Army has embarked upon a world-wide campaign to enlist enough men so that, in demobilizing, we shall not strip our services below the peacetime need. It is imperative that public support be given to this program. We must replace as soon as possible men who have served long and arduously, and who wish to return to civil life. We must also build an Army of volunteers adequate to all our requirements—at home and abroad—until the long-range peace terms and military policies are worked out.

I hope that every individual and group will give earnest and enthusiastic co-operation to this great effort to rebuild our Regular Army. The success of this campaign is vital to the performance of our tremendous task of securing the peace.

Harry Truman
PRESIDENT

Congress authorizes most attractive Enlistment Opportunities in our History

1. Enlistments for 1½, 2 or 3 years. (One-year enlistments permitted for men who have been in the Army six months.)
2. Enlistment age from 17 to 34 years inclusive, except for men now in Army, who may reenlist at any age, and former service men depending on length of service.
3. The best pay scale, medical care, food, quarters and clothing in Army history.
4. An increase in the reenlistment bonus to \$50 for each year of active service since such bonus was last paid, or since last entry into service.
5. Up to 90 days' paid furlough, depending on length of service, with furlough paid to home and return, for men now in the Army who reenlist.
6. A 30-day furlough every year at full pay.
7. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
8. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. (Retirement income in grade of Master or First Sergeant up to \$155.25 per month for life.) All previous active federal military service counts toward retirement.
9. Benefits under the GI Bill of Rights.
10. Family allowances for the term of enlistment for dependents of men who enlist or reenlist before July 1, 1946.
11. Opportunity to learn one or more of 200 skills and trades taught in Army schools in U. S. or occupied countries.
12. Choice of branch of service and overseas theater in the Air, Ground or Service Forces on 3-year enlistments.
13. Reserve and A. U. S. commissioned officers released from active duty may be enlisted in Grade 1 (Master Sergeant) and still retain their reserve commissions.
