A PARTIALLY, HONEST THIEF been found. Sunday noon [] foolishishly and carelessly left my keys sticking in my box at the post office. This thief came along, carefully removed all my keys, put them back in my box and made away with my key case, one of the finest I have seen and given me by a friend. This consideration is appreciated. But if the SEE HARVIN-McINMIS, INC. FOR thief will return my driver's license and automobile registration card, which were also in the key ease, I shall be further grateful The key case is well worth to the thief a three-cent stamp to mail these cards back to me. No questions will be asked. Henry A.
