Crop Insurance Deadline Nears

Vance county tobacco farmers were advised today that April 23 is the deadline for making application for crop insurance on the 1946 acreage. In letters sent to many growers in Vance county, Walter E. Night, secretary of the A. C. A., advised farmers "Federal crop insurance will guarantee protection all the way from planting time to marketing."

"Can you afford the expense of making a tobacco crop, with the increased cost of labor and materials, and then risk the hazards of producing the crop from the time the plants go into the field until the graded leaf is weighed at the warehouse, without any guarantee of any certain return from your investment? Well, you don't have to take this risk. Federal crop insurance will guarantee you protection all the way."

Farmers were advised to contact I. J. Jackson, Jr., Vance county manager or any of his agents or the local AAA office.

ST. MARY'S ALUMNAE TO HEAR DR. TUCKER

Charles A. Tucker, of Warrenton, chairman of the grounds committee at St. Mary's school in Raleigh, will speak at the Henderson alumnae of the school on Friday afternoon, April 26, at 4:30 o'clock at the home of

In Alabama

Sgt. Edward V. Davis, Route 5, Henderson is now serving as a motor pool sergeant at Fort McClellan, Alabama, where he has been for the past 18 months. Davis was inducted at Camp Croft, S. C., in September, 1944, and has been stationed at Fort McClellan since that time.

Mrs. R. G. S. Davis on Andrews avenue, Mr. Tucker will speak on the plans for the beautification of the grounds at St. Mary's. All members are urged to be present.

DISCHARGED

N. P. ALEXANDER.
Nathaniel P. Alexander, Jr., U. S. N. R., of Route 1, Box 106, D. Warrenton, has been discharged from service at the Terminal Island naval separation center, San Pedro, Calif., after a year and a half duty, most of which was in the Pacific.

Cooked A Fine Dinner; Then Threw It To Dog

One lady recently stated that she used to throw her own dinner to the dog most of the time. It made her sick just to look at anything to eat. She was swollen with gas, full of bloot, had headaches, felt worn out and was badly constipated. Finally she got INNER-AID and says she now eats everything in sight and digests it perfectly. Bowels are regular and normal. She is enjoying life once more and feels like "some other woman" since taking this New Compound. INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Henderson.

Quail on toast IN APRIL

Electricity MAKES IT EASY RIGHT IN YOUR OWN HOME

Yes, quail on toast in April, or fresh strawberries in January—will be commonplace treats for your family when you have a modern frozen food locker in your home. Freezing and preserving fresh meats, fruits and vegetables, and keeping them always handy for immediate use will be one of the good things about living electrically, when the new appliances are again available in quantity. But, it is only ONE of the good things.

Electrical appliances will wash the dishes, dispose of the garbage, clean the house, wash and iron the clothes, and do hundreds of other jobs—do them quicker, cleaner and better than it has been possible to do them before. That is why smart home planners everywhere are insisting that their new homes be ALL-ELECTRIC—why nearly every family intends to make full use of their electric service for better living in the days to come.

Wreck Victim In Serious Condition

Miss Alma Rowland, of Kittrell, continues in a serious condition at Maria Parham hospital where she was carried following an automobile accident Saturday afternoon on the Epsom-Rocky Ford road in Franklin county, according to a report today. Miss Rowland received severe cuts

about the face and chest and internal injuries, it is believed. She was riding with William Rowland, also of Kittrell, when the 1941 Ford coach was in collision with a 1934 Chevrolet, driven by Matthew Rowland, colored, of Kittrell. Rowland received minor injuries. Hunt and Katharine Hunt and Howard Halden were reported seriously injured and are at Jubilee hospital. Only other wreck reported by the highway patrol office during the week-end was the demolishing of a 1940 Ford convertible by a north-bound train Sunday morning at one

block. The automobile was the property of Lloyd Capps, 708 W. North street, Raleigh, and had been stalled on the railroad track on the Bearport road. The car was reported as a total loss.

NIGHT AND DAY

for 15 eventful years

Greyhound buses and Greyhound people have served our city and our state continuously for more than 15 years . . . through depression and boom, through war and victory to Peace!

Fifteen years is a long time in anybody's life—and especially is this true of the bus industry, which has an entire life span of little more than a quarter of a century.

15 years of vital, uninterrupted service—15 years of steady wages for Greyhound employees who have helped build this prosperous community—15 years of intimate, friendly association . . . is a history in which we take pride. It shows that Greyhound truly shares in the life and interests of the people it serves.

More Buses, More Service Needed and on the way

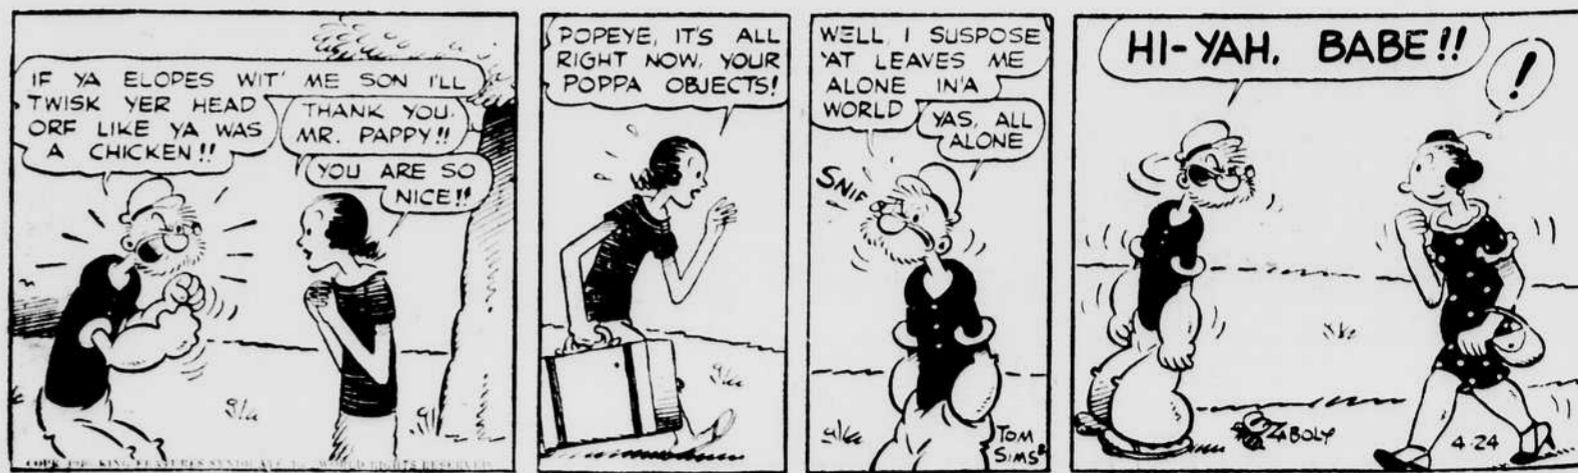

Today people are on the move as never before! With every bus working regularly, with everyone at Greyhound doing his utmost, travelers still are sometimes inconvenienced.

Hundreds of new buses are on order. When they are delivered, you can expect finer, and more frequent service, additional comfort . . . better travel in all respects than America has ever known.
