*It's Our Birthday—  
But It's Your Party*

While Big Star Super Markets and Little Star Stores are only nine years old, they are veterans in the modern super market field. The first Big Star opened in Henderson, 1937, and today they are winning the applause of the discriminating housewife throughout the State. This week-end we invite you to our Ninth Birthday Celebration . . . and at this grand and happy moment celebrate these stores to the service of our many friends and customers.

UNITED STATES DEPARTMENT OF AGRICULTURE  
Production & Marketing Administration  
Atlanta, Georgia

Colonial Stores:

The U. S. Department of Agriculture is urging housewives to help further the Famine Emergency Campaign by buying liberal quantities of potatoes.

Greater use of potatoes, instead of bread and wheat products, will permit shipment of more wheat to famine-stricken countries. If every American will eat more potatoes and other vegetables now instead of bread, more lives in Europe and Asia will be saved.

Very truly yours,  
D. K. YOUNG, Chief
