Golf Meet Here Nears Final Stage

Semi-final play in the men's annual golf tournament at the West End Country Club rolled around today with four top flight players scheduled for 18-hole games to be completed by Friday. The champion will be determined from these four and final playing will be for 36-hole games on Saturday and Sunday.

Second round eliminations saw Frank Legg, Jr. win over last year's champion, R. S. Sprinkle, and W. S. Goodwyn defeated J. L. Melmus in the playing yesterday. Stewart Finch, shooting 75, 4 over par, climbed into the semi-finals by defeating Boyd Kimball and C. P. Sellers stepped into a higher berth when he defeated J. H. Zellerbach. Sellers' nearest opponent, upset defeat by Turner Westham, veteran player, in the first round and is continuing his winning pace, evidenced by his victory yesterday.

BEWARE OF PIN-WORMS

Recent medical reports reveal that an amazing number of children and grown-ups may be victims of Pin-Worms—often without suspecting what is wrong!

Watch out for the warning signs that may mean Pin-Worms in your child or yourself—especially the tormenting, embarrassing rectal itch. Because now you can and should do something about it.

After centuries of distress caused by Pin-Worms, a highly effective way to deal with them has been made possible. It is based on the medically recognized drug called gentian violet.

This special drug is the vital ingredient in P.W., the Pin-Worm tablets developed in the laboratories of Dr. D. Jayne & Son. P.W. tablets are small and easy to take, and they act in a special way to remove Pin-Worms.

So if you suspect this ugly infection, ask your druggist for JAYNE'S P.W. and follow the directions. Satisfaction guaranteed or your money back.

It's easy to remember: P.W. for Pin-Worms!
