

# Work Begun On Patrol's New Office

Work has been started and is well under way on new office quarters for the State Highway Patrol corps stationed in Henderson, and is expected to be completed within sixty days, patrolmen reported today. The quarters are located on the rear of the North Henderson school campus, facing directly on Route 1 north of the city.

The new building will be of concrete blocks and will be approximately 25 feet square. It will have accommodations for an office, for a dark room for development of photographs, and a fingerprint room, as well as a barracks room with sleeping quarters.

The building will cost \$2,500 or more. That amount, however, has been made available by the Vance Board of County Commissioners. When completed, the building will be the first permanent quarters the patrol has had since local headquarters were established several years ago. The construction firm of Edwards & Morris is in charge of construction.

# Veterans Leave Payments Locally May Be \$250,000

Casual estimates made today by Brooks P. Wyche, veterans service officer of the county, placed at around \$250,000 the amount of money to be sent into the county in government payment of burials for non-commissioned officers and enlisted men of World War I.

The calculation was made on the basis of probable claims of about 2,500 at an average of about \$100. Some of the more than 3,000 men from the county who went into the service are still in uniform, while allowance is made for officers, who do not participate in this distribution, and for those who have little or no remuneration coming to them by reason of the fact that they used virtually all of their full-time time.

# Local Club Takes Over Oxford Port

The Oxford and Stephens have taken over by the Henderson club association for operation, it was reported today from the club's headquarters.

The Oxford and Stephens have taken over by the Henderson club association for operation, it was reported today from the club's headquarters.

# Liquor Sales Up Sharply For August

Sales were up slightly more than 25 percent in August at Vance county's only liquor store, by comparison with July this year, and were about 65 percent ahead of August 1945, according to official statistics on sales as announced today by the Vance County ABC Board.

Last month's sales went to \$102,577.70, compared with \$84,554.23 in August, 1945, and \$80,000.00 in July this year. Volume for the August was second only to January and February in this year, and almost as large as either of those months.

For the first eight months this year, gross sales aggregated \$761,470.25, as against \$411,049.95 in August last year, or a gain of \$350,420.30, or around seventy-five percent.

Sales at the county store through August were almost within \$100,000 of the total for the calendar year 1945, which reached \$877,179.29. All indications at the present time are that the one store in this county will sell well in excess of \$1,000,000 worth of liquor during the calendar year 1946.

# Officers Hunt Two Colored Jail Escapees

Officers from the sheriff's department were today searching for Pearl "Duke" Harris and Charlie Quittent, both colored, who escaped from Vance county jail Tuesday night by pulling out boards in the top of their cell and climbing through the empty unlocked cell above, with only a fence then between them and freedom.

Taylor Terry, colored, who was in the jail for robbery from the person, refused to go with them. It was reported. The men were in the lower cell below.

Harris was being held for superior court on a charge of breaking and entering White House restaurant on Sunday night, August 13, and stealing about \$300 in money and some jewelry. He had escaped from the Virginia State prison on August 27, where he was serving a sentence of five years for robbery. Previous to that time he had served a prison sentence in North Carolina for breaking and entering and larceny of properties at May Smith Clothing company and Henderson Socks laundry.

Quittent was out on a charge of theft of an automobile.

Julius J. C. Gordon discovered the break-out Wednesday morning and officers have been on their trail since that time.

# Meetings On Farms Set Next Week

Beginning Monday afternoon at 2:30 o'clock a series of field meetings will be held at farms over the county for the purpose of emphasizing the production of small grains and forage crops and to observe other improved farm practices.

W. Sanders, county agent, announced today. Representatives of the Extension Service, Soil Conservation Service and the Farm Security Administration will cooperate in holding the meetings.

Observations will be made of hybrid seed corn production, certified tobacco seed production, improved pastures, small grain production, terraces, contour tillage, purebred livestock, tobacco barn stokers, farm machinery, timber thinning and farm machinery.

Seven meetings are scheduled to be held in as many communities as follows:

Monday, Sept. 9, 2:30 p. m. at farm of Richard Buchan, in the Middleburg community.

Tuesday, Sept. 10, 10 a. m. at farm of E. C. Brewer, in the Dabney section.

Tuesday, Sept. 10, 2:30 p. m. at farm of R. C. Daniel, at Avocek.

Wednesday, Sept. 11, 10 a. m. at farm of Oliver E. Brewer, Townsville.

Wednesday, Sept. 11, 2:30 p. m. at

farm of W. J. Bowen, Epsom.

Thursday, Sept. 12, 10 a. m. at farm of Frank W. Morgan, Townsville.

Thursday, Sept. 12, 2:30 p. m. at farm of N. O. Buchanan, Kittrell.

Farmers are urged to attend the meetings in their communities.

# HOME AGENTS ATTEND CHAPEL HILL MEET

Miss Montien McLaughan, home demonstration agent, and Miss Marion Kirkman, assistant, are to go to Chapel Hill tonight to meet with other agents in the northwestern district in planning the work for 1947.

Sessions will be held through Saturday. Miss Nell Kennett, of Guilford county, chairman of the northwestern district home agents association, will preside.

## PIN-WORMS At Last - A Real Treatment!

Anyone who has ever had Pin-Worms knows how tormenting and embarrassing this infection can be, and how hard it may be to deal with the creatures, once they get a foothold inside the body.

Today, thanks to a special, medically recognized drug (trientin violet), a highly effective treatment has been made possible. This drug is the vital ingredient in P-W, the Pin-Worm tablets developed in the laboratories of Dr. D. Jayne & Son. P-W tablets are small and easy to take, and they act in a special way to remove Pin-Worms, so watch out for the warning signs that may mean Pin-Worms in your child or yourself—especially the irritating anal itching. And don't delay. Ask your druggist for JAYNE'S P-W right away, and follow the directions. Satisfaction guaranteed, or your money back.

It's easy to remember: P-W for Pin-Worms!

# BIRTHS

Rivers, Daughter.

Mr. and Mrs. H. D. Rivers announce the birth of a daughter at a Columbia S. C. hospital and mother and daughter are doing nicely.

The infant weighed six pounds, 14 ounces. Mr. Rivers until four months ago was State board agent in Henderson. He is now stationed at Wilmington as State board agent.

# Tired Kidneys Often Bring Sleepless Nights

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause muzzling headache, rheumatism, leg pains, loss of pep and energy, getting up nights, swelling, influenza under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for aches and pains, Doan's gives happy relief and will help the 15 million of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

# METHODIST CLASS BEGINS FALL DRIVE

The following announcement about the Methodists' Bible class of the First Methodist church is given by T. A. Rose, district president of the class.

Sunday attendance at the Men's Bible class of the First Methodist church has held up comparatively well, the attendance only on rare occasions falling below 100, which is gratifying. The class president, T. A. Rose, Jr., says that September is the new year, that September is the best month. The weather is just what the class needs and it is anticipated that the attendance will improve accordingly. Mr. Rose says that he hopes 100 will be the minimum attendance from now on and that during the fall months the attendance will exceed the second made in the first part of this year.

Paul Hoover and Jasper Hixon, class teachers, are giving the men interesting lessons from Sunday to Sunday, and those not attending are urged to get the benefits of hearing these lessons, and taking the interesting and helpful messages.

The officers of the class say to

# TOWNSVILLE SCHOOL LISTS 185 ENROLLED

Official figures on enrollment in schools of the city and county, as received at the office of Superintendent E. M. Rollins, are substantially the same as those assembled by the Dispatch last Friday when students reported for registration, it was said today at the school office.

At that time no reports were available from Townsville or Dabney schools. Statistics were given for four Townsville, however, showing an enrollment of 149 in elementary grades and 26 in the high school department. No reports are yet available from Dabney.

Outlets can't kick backward—them. However, it may be as in the case of football players—it isn't necessary.

come on out men, enjoy the fine fellowship of the class and the inspiration obtained from the lesson discussions.

# They'll keep singing its praises for years

Every so often it happens. A car comes along that rings so many bells on so many counts that folks remember it fondly and talk about it for years thereafter.

You're looking at one of those "vintage-year" Buicks now.

Right from the start, it clicked with the stand-out, hint-of-the-future freshness of its styling.

It brought wide, appreciative grins with the smooth way its Fireball straight-eight engine delivers its eager surge of power.

Registered with the steady stride of two lively tons of roadweight, cradled on tireless coil springs all around that turn the roughest road into a pleasure cruise.

Then as people began to discover the blissfully easy way this dream boat handles—as the miles piled up and owners found their cars getting actually better—word started to go round: "That '46 Buick—there's an automobile!"

They'll be saying that for many a long year.

And while we're doing everything in our power to get you yours soon-as-possible, you'll find that when you get it is a secondary matter.

For the man who gets a '46 Buick has really got something—something certain to be a high spot in his car-owning history.

What Other Car Has So Much That Clicks For Forty-Six!

SMARTNESS of car-length Airtail fenders and bolt-on rear wheel shields. POWER of Buick Fireball valve-in-head straight-eight engine. OIL SAVINGS from non-scuttling Accurite cylinder bores. FLASHING ACTION of lightweight pistons. STEADINESS from full-length torque-tube drive. GLIDING RIDE from all-coil springing. COMFORT of roomy body by Fisher. SURE FOOTING of Broadrim wheels. CONTROL through Permi-firm steering. CONVENIENCE of high-velocity Step-On parking brake. PROTECTION of Buick-originated fender-shielding front and rear bumpers.

When better automobiles are built BUICK will build them
