HOPE ON, HOPE EVER.

TAKING A CHEERFUL VIEW OF THE SITUATION.

Trusting for the Best from the Republican Administration.

[Danville Register.]

Few people have felt the defeat of Cleveland and Democracy more keenly than the editor of this paper. He comes from an old line Democratic family and the principles of Democracy were instilled into him from childhood by a father who was for a long To deafen my ear to the World Voice time in public life. If there were no local issues involved, if there were no Be free from the poisons and vices negro question involved, if there were no sectional question involved, we would still be found an earnest and honest advocate of the Democratic party, for we believe that party to be the party of the people as opposed to the "centralization idea" of Republi-

Pardon the personal allusion, but we say this much as a sort of preface to our "hopeful view."

We recognize this fact that the return to power of the Republican party may and probably will bring great political evils upon the South. Mr. ot in the administration of National iffairs. The South will be a nation not have supported Mr. Cleveland if closing with the alluring catch- whose only standard of qualification without a country under Republican he had not spoken clearly in favor of phrases, 'Orders by mail a specialty.'

FACTS THAT ARE have lost all we had won-we realize the fact that the offices of government in the South will be filled with negroes and carpetbaggers-we realize the fact that the Mahone party in Virginia will have the aid of the Federal government in its effort to capture the State next year. We fully appreciate the gravity of the situation and yet there is a hopeful view from a business standpoint.

The Republican party will have That a policy of Life Insurance affords control of all departments of governready money available for the wants of a family in the event of the death of the polment and will have no excuse for failsey-holder, and that the money collected ing to give the country much needed from the policy is often the only funds at legislation. The party is pledged to the repeal of the tobacco tax and unless it is reckless enough to disregard that pledge, the tax on tobacco will be removed in the near future. This will benefit the people of Virginia and especially the people of this section. That the proceeds of a policy of Life In-

surance will often aid an executor or ad-Again, the Republican party is ministrator in the settlement of an estate pledged to the passage of the Blair eda d prevent an untavorable sale of prop city to discharge the debts of the deceased neational bill or a like measure and that will turn loose seventy millions of dollars, much of which will come to the South. The Richmond Whig suggests that the Democratic congress take up that bill and pass it as soon That forced sales of property by executors as congress again assembles. And it or administrators do not always bring the is not improbable that congress will best results, and that any arrangement which will prevent such sales until the do so.

property can be sold for its value is very At any rate, the Republican party is pledged to the passage of the bill and it must soon become a law.

The Republican party is an extravagant party and we shall hear no more about a big surplus in the National treasury. The money will be spent, surance can be used to pay liens against one way or another, and while but litproperty which may exist in the event of tle of it will come to the South by direct appropriation, money will be more plentiful and when once put into circulation, it will gradually find its way to the South.

As to tariff, the policy of the Republican party is well known, and That policies in favor of a wife or a wife while we regard our present tariff sysand children are protected by a special statue of the State against the claims of tem as most iniquitous, still it is favorcreditors or representatives of the husband. able to the manufacturer, and more than that, we shall have no more tariff agitation for several years to come; and this of itself will restore business confidence and give an impetus to manufacturing industries. Capitalists That a policy of Life Insurance made will not be so timid of investment and payable to a wife can be collected by the there is no doubt in our mind that the wife without the intervention of an execucountry at large, and the South must

> share in the general prosperity. Let our people cheer up; let them go to work in earnest and leave results to take care of themselves.

The "Gold Leaf" Agrees.

[Reidsville Weekly.]

One of the brightest contemporaries that adorns our sanctum is the Hendersonville Times. Like the gentle zephyr which comes from its mountain home, it always makes us feel short communion with it.
