of work with neatness and dispatch, and make a specialty of carriage painting,

REPAIRING AND HORSESHOEING

Thankful for past patronage, we hope by good work and strict attention to business therit a continuance of the same. Very Respectfully, CROW & MARSTON,

POETRY IN THIS.

DOWN UPON DE SUWANEE RIBER.'

Sir Edwin Arnold Finds the Real. Authentic Stream Leaping In all these years; some come, some go Down Through Southern Forests---A Beautiful Scene Which Charmed the Poet---A Consecrated Spot in Nature--The Thy face has lost all life and glow, Thine eyes bespeak some hidden woe, And yet thou seekest to divert Song That all the World Sings. Old age, to play the maiden flirt,

In that part of the long journey when we were passing through Georgia and at the moment when the tedium was worst, the train approached a long hollow in the hills where one of those pleasant surprises occurred which go to pleasant surpr prove how song may consecrate a locality, writes Sir. Edwin Arnold in THE FINANCIAL KEYNOTE. the London Telegraph.

A river, not very broad or deep, but with a certain special grace and character of its own, lay in front of bill, Mr. Cleveland wrote: our track. We had a good view of it as we came near the wooden trestle silver currency it is a time for strengthbridge by which the line was carried ening our gold reserve instead of in the South for the acquirement of and little or no demand for it, there circulation. It is not owned by the across-structures which until you depleting it. become acclimated to American travel always make you wonder whether they message we said in this column on the Mississippi and Louisiana, in sections will carry the train this time safely 4th instant : over. The river ran down from the Georgian hills in a lively current, way to have plenty of silver is to have the character of industries that could broken sometimes into rapids and plenty of gold. That if the govern- operate to success in utilizing the raw question of very short time before
