ATLANTA'S FAIR.

COTTON STATES AND INTERNATIONAL EXPOSITION.

Every Person Ought to Visit it Who Can-There is Much to be Seen It's women's time for rumagin' in chists That Will Interest and Instruct the Visitors-Equal to the World's Fair in Some Respects.

The editor of the Smithfield Herald, tho recently made a visit to the Atanta Exposition, has the following to

Having recently made a visit to the Atlanta Exposition, we will give our readers a few observations in regard to this, the greatest of all Southern Expositions. A visit to the Exposition will con-

vince one that the exhibits are fully equal to the advertisements and in the a case of Malarial Fever of three many respects superior. The Exposition is an almost complete reproduction is an almost complete reproduc-tion of the World's Fair on a smaller scale. The Government exhibits and 'Till I almos' wish ther'd never been the exhibits in the forestry building g RED Z on the package. And don't are more varied and complete than That's how the weather does 'em-these et the word REGULATOR. It is SIMthey were at Chicago. The foreign exhibits are also especially fine.

The Exposition grounds are situated to be benefited. THE BENEFIT IS just three miles from Union depot, IN THE REMEDY. Take it also for usness and Sick Headache; both are northeast from city at Piedmont Park. There are about 400 acres in the enclosure. Near the centre is a beautiful crystal lake. On this lake boats are run for the pleasure and convenience of those who wish to go from one part of the grounds to another.

The buildings are all large and them are beautiful.

The Exposition not only represents Southern enterprise and development, but it is international as its name im- State should insure a prompt and

The accomodations at the Exposition are ample, convenient and cheap. The Southern Railway runs trains this movement should be permitted from the city to the grounds and re- to drag, as is too often the case with turns every seven minutes during the similar efforts throughout the country. day at 10 cents each way. The Con- We do not believe such a fate will solidated street railway also runs cars befall it if a systematic and business FRANCIS A. MACON. to and from the city at the same price. But it is to be hoped that the South-NDERSON, NORTH CAROLINA ern Railway will receive the patronage ork in operative and mechanical as a big piece of rascality has been perpetrated by the street railway in raising the price from 5c to 10c since the opening of the Exposition. This company charges but 5c to any other part of the city or suburbs, even though the distance be farther than to the Ex-

NDERSON. . . N. C der in Harris' law building near Very fair board and lodging can be obtained in the city at from \$1 to \$1.50 per day by the week, or \$1.50 to \$2.00 per day by the single day. The managers of the Exposition have secured ample accomodations for the people at low rates. The public spirited citizens of Atlanta are accomodaing the visitors at low rates, and are Tottee over E. G. Davis' store, Main doing all in their power to make it pleasant for those who attend and thus push forward the Exposition and build up the hustling city of Atlanta. There Indertaker & Embalmer is more activity and push in this city than in any other Southern city. It

The Vance Monument.

[Winston Sentinel.]

We are glad to see that an effort is being made to revive interest in the proposition to erect a broze statue commodious and attractive-some of of Vance in the capitol grounds. The pre-eminently high places which this lamented son of North Carolina holds in the esteem of the people of the hearty response to the appeal for donations for this purpose.

It would be discreditable to us plan is inaugurated for raising the necessary funds. It it be placed in the category of everybody's business, in that event then nobody will be likely to assume the prosecution of the noble and patriotic work in the different cities and counties of the State. In every section, the matter should be placed under the supervision of a reliable and energetic committees, composed of both ladies and gentlemen. In this way the labor of love could be brought to a successful conclusion

without undue and tedious delay. Winston-Salem was the first community in the State to erect a public and permanent memorial of this beloved son and, doubtless, will also be represented in the proposed statue, but it will be necessary for some authorized person or persons to take the matter in charge. To this end we would suggest that the comma der, or the executive committee, of Norfleet Camp, of Confederate Veterans, appoint committees throughout the county is second in size of all Southern cities to receive subscriptions to the statue -New Orleans being the largest. fund, with a central committee for There are over \$10,000 inhabitants by Winston-Salem, to which the other actual count. The population has committees should report from time more than doubled during the last ten to time. And if the work is vigoryears. The town is just sixty years ously pushed we need not be long old. by fire and sword and broomsticks.

If the husband is incompetent, overbearing, unreasonable, dictatorial, the wife's greatest embarrassment will be, not in obeying, but in having such a husband. Still, even in so sad a case the wife will find that, for the peace of the home, as well as for the social be governed by the Bible and respect the bareback rider. the authority of her official half. Sometimes the husband assumes the

friction, and in various ways undermines the harmony of the home. The wives of such men obey because they fear, not because they love. They realize the fact that in the eyes of their husbands they have no rights, are inferior members of the home, and mere appendages of their domineering lords. There is, however, another side to this question. Instead of bossing he is bossed: the home rule is then reversed, and the husband enters that unconscious state-for he seems never to be conscious of it-which we may term out the knowledge and consent of the hen-peckery. The wife's stronger nature prevails, and she fills her husunfortunate condition of things is advertisement appear as an adver-
