The Washington Post's Decided Attitude on the Race Question-a Men Will Control it-Negro Rule as Impractical and Impossible as Social Equality of the Races-the Declaration of Senator Vance, Made Several Years Ago, Now Forcibly Recalled.

In and he suffered so that it was The Scotland Neck Commonwealth

An Experiment that Failed," as published in the GOLD LEAF last veek, and comments as follows: The Washington Post is an inependent paper which is regarded as afe and reliable.

RUIN AND FAILURE.

NEGRO RULE.

Two years ago the Post would have been slow to speak thus of the negro. It will be observed that it says this is white man's country and that white eople will never, under any circumstance, submit to being placed on an quality with the negro anywhere. The Post speaks directly of the roubles which come from positions

of trust placed upon negroes in the army. And what it observes with reference to army positions holds good in all positions. The negro race is totally incompeent to rule. We doubt their ability to rule themselves; and they are

superior white race. When papers like the Washington Post which have been more or less in sympathy with the colored race holding office which places them in boldly and subscribe to the sentiment of the Southern people, that ment of the Southern people, that church "and edited by the Paster inc. of Angust 9. CAPTURE OF MANILA.

AN EYE WITNESS TELLS HOW THE CITY FELL.

Loss Much Heavier, With 7,000 Prisoners Taken-Defeated Troops Wept as Stars and Stripes Rose Over the City-Western Troops Did Splendid Work.

(Baltimore Sun.)

Following is the first authentic account by an eye-witness of the capture of Manila Saturday, August 13. The details of the battle as given by to be determined by negotiation bethe correspondent were taken from tween the respective governments. cabled thence yesterday:

Hong Kong, Aug. 17.-Manila surrendered, after a weak defense, Saturday, August 13. The American by the United States government. flag now flies over the capital of the Philippines, and this was accomplished without great loss of life. Our loss was eight soldiers killed and forty wounded. No one of the American fleet was injured. The Spanish loss is estimated from 120 to 600 killed and wounded.

The Americans captured 11,000 prisoners-7,000 being Spanish regulars-20,000 Mauser rifles, 3,000 Remingtons, eighteen modern cannon and many cannon of obsolete pattern. On August 7 Admiral Dewey and General Merritt, acting jointly, notified General Jaudenes, Commanderin-Chief commanding the Spanish forces, that they might attack the city within forty-eight hours after the receipt of their note to him and

gave him an opportunity to remove

in the suburbs of the city. Action was delayed until August 13 to allow Those who were present at the morning the American troops to extend their hour of worship on the 10th July will front. Frequent visits by the Belnot, we are sure, forget one feature of gian consul meantime to General Merritt and Admiral Dewey led to rumors that terms of surrender were being arranged.

DEWEY LED THE FIGHTING LINE.

The American fleet began to move n at 9 o'clock Saturday morning. Dewey on the Olympia led the firing the conduct of the troops were beline, as of old. Above the Olympia | yond praise. ing 'he Messiah and the fulfillment of and from the ships following her flew the American flag.

The Olympia opened with her 8-inch guns at 9:35 o'clock, the first four shells being directed against Malate fort. The Raleigh, Petrel and Calloa also opened on the forts, the Boston, Baltimore, Charleston and Monterey standing in as supports. from 3,000 to 4,000 yards. The practice was excellent as soon

as the range was determined. Most of the 5-inch shells fell in a battery protected by earthworks. Sixteen 3-inch and 69 five-inch shells were The day will ever be regarded as one of fired by the Olympia and the Raleigh the most notable days of his ministry, and Petrel each drove in about seventy-five.
