## THURSDAY, JAN. 4, 1900. THANKSGIVING EVE.

(Published by Request.) On the crowded train, the passengers were filled with mirth and glee, All were off on a Holiday their frien's and kin to see;
There were old people with lots of bundles, R S McCoin

As mercury will surely destroy the sense of smell and completely derauge the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from W II Smith rebate reputatable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, and acts directly upon the blood and mucous surfaces of the system. ## A BUSINESS VIEW OF THE CIGAR-

The most effective blow that has yet been directed against the cigar- R B nayes work on ette evil, a blow more effective than Samuel Watkins all the State legislation that has Home heretofore been enacted, is the order | W # Smith rebate which the officials of the South Caro- J n Foster witness lina division of the Southern Railway has passed, as related in the press dispatches this morning. According to this order, all employes of the railroad company who smokes cigar- W N Smith convey ettes must quit, or lose their jobs, Thad R Manning and no person who smoke cigarettes will be taken into the employ of the company. At present, this order ap-1 plies to only one division of the system, but it may be extended to W H Smith rebate

others.

This action of the Southern Railway Company is the most deadly blow yet given the eigarette. It will K. W. Edwards ser have more effective results than could be hoped for by any State R J Southerland ser legislation for the reason that it makes war upon the cigarette from a Dr W J Judd sale business standpoint. Men who could not be prevented from drink- | Dorsey Drug Co dr ing by any sort of legislation with which they might be confronted, have willingly and consistently chosen a life of sobriety when the question was presented to them as a matter of business. Only solver men matter of business. Only sober men R J Southerland e can give a railroad good service; no railroad can afford to employ any W II Smith forsum can give a railroad good service; no other kind. Those employes who at one time thought differently have bayis & Rose for support of a job. either reformed or are out of a job. The justness of this requirement of E A Powell Treas justness. the railroad people for sober men to handle their trains has never been Henry Perry CSC questioned - certainly not by the LI Moore Solicitor travelling public-but there may be WII Smith some who will want to know what R J Southerland cigarette-smoking has to do with the question of efficiency. To these it will be sufficent to say that railroad S P Kearney officials hold a drinker and a cigar- M W Page ette-smoker in equal disfavor, whether J H Mahone rightly or wrongly is not the question | N A Garrett in point. The very fact that a great | W II Cheek railroad company has concluded that the safety and efficiency of its service will be promoted by the employment of men who do not smoke cigarettes puts the matter beyond argument.

S. S. S. Is the Only Remedy Equal to this übstinate Disease.

There are dozens of remedies recommended for Scrofula, some of them no doubt being able to afford temporary relief, but S. S. S. is absolutely the only remedy which completely cures it. Scrofula is one of the most obstinate, deep-seated blood diseases, and is beyond the reach of the many so-called purifiers and tonics because some thing more than a mere tonic is required. S.S.S. is equal to any blood trouble, and never fails to cure Scrofula, because it goes down to the seat of the disease, thus permanently eliminating every

trace of the taint. The serious consequences to which Scrofula surely leads should impress upon those afflicted with it the vital importance of wasting no time upon treatment which can not possibly effect a cure. In many cases where the wrong treatment has been relied upon, complicated glandular swellings have resulted, for which the doctors insist that a dangerous surgical operation is necessary. Mr. H. E. Thompson, of Milledgeville, Ga., writes: "A bad case of Scrofula broke out on the glands of my neck, which had to be lanced and caused me much suffering. I was treated for a long while, but the physicians were un-

able to cure me, and my condition was as bad as when I began their treatment. Many blood remedies were used. but without effect. Some one recommended S. S. S., and I began to improve as soon as I had taken a few bottles. Continuing the remedy, I was soon cured permanently, and have never had a sign of the disease to return." Swift's Specific -

## S. S. S. FOR THE BLOOD

-is the only remedy which can promptly reach and cure obstinate, deep-seated blood diseases. By relying upon it, and not experimenting with the various so-called tonics, etc., all sufferers from blood troubles can be promptly cured, instead of enduring years of suffering which gradually but surely undermines the constitution. S. S. S. is guaranteed purely vegetable, and never fails to eure Scrofula, Eczema. Cancer, Rheumatism, Contagious Blood Poison, Boils, Tetter, Pimples, Sores, Ulbers, etc. Insist upon S S S.; nothing can take its place. Books on blood and skin diseases will be mailed free to any address by the Swift Specific Company, Atlanta, Georgia.
