RULE OF CONSTRUCTION.

The rule in the construction of statutes is thus stated by Chief Justice Shaw, of Massachusetts, in Morrow vs. Charlestown, 2 Gray, 84. "If they (the parts of a statute) are so mutually connected with and dependwill ever be disfranchised by the ent on each other, as conditions, considerations or compensations for each

other as to warrant a belief that the Legislature intended them as a whole, and that, if all could not be carried into effect, the Legislature would not pass the residue independently, and ome parts are unconstitutional, all the provisions which are thus dependent conditional or connected liberty and the Constitution go to-

must fall with them." This language is endorsed by the Supreme Court of the United States n Allen vs. Louisiana, 103 U. S. R. In Riggsbee vs. Durbam, 94 N. C. R., 805, the court says: "When such relations exist among the parts (of a
