The reports coming into this office show that there has been a

Old army officers laughed in scorn outside the break water, soon to be

mpossible to determined men. We do not lack the strength, but the will; for we are as strong as we are deter-

mined. The impossible belongs to By organization, such as the Totheir position, their respect, their

manhood. Without it, in a few years held dear-independence. The picture is not bright to be sure, but it would be folly for us to spread a veil

suffering. It is an external lini ment and carries with a therefore, absolutely no danger of upsetting the system as drugs taken internally are apt to do. It is to be rubbed into the abdomen to soften you from your own home, from those and strengthen the muscles which are to bear the strain. This means much less pain. It also prevents morning sickness and all of the other discomforts of pregnancy.

A druggist of Macon, Ga., says: I have sold a large quantity of Mother's Friend and have never known an instance where it has failed to produce the good results claimed for it." A prominent lady of Lamberton, Ark, writes: "With my asked to give your influence to the ast six children I was in labor from 24 to 30 hours. After using

Mother's Friend, my seventh was born in 4 hours." Get Mother's Friend at the drug store, \$1.00 per botile. THE BRADFIELD REGULATOR CO. ATLANTA, GA. Write for our free illustrated book, "BEFORE BABY IS BORN."
