Margaret A. Richard, in Columbia State. "Oh, God of peace," I knelt and said. Beside my loved and white-robed dead, "Let thy sweet comfort come to me— I loved this wee one tenderly!
My heart knew hopes and pleasures rare,
Which vanished like a breath of air,

Then friends came near. "Weep not," the said,
"And deem not your sweet baby dead,
That which you kneel beside and pray Is but a bit of mortal clay.
His soul," they urged, "did speed afar
To lands where happy angels are,
When baby died."

And I doubt not, yet still I weep, And o'er my dead close vigil keep. These dimpled hands, albest they Must fall to dust and pass away. Had little ways most dear to me-Had loving ways that ceased to be When baby died.

And these dear eyes, in death closed tight, Oft beamed on me with glances bright, soul looked through them, free But pallid lids—do you not see?— Did close these worlds of light to me

Alas for me! These baby feet Will make no more their music sweet! No more shall we who loved them hear For me life's symphony was o'er When baby died.

Although, forsooth, 'tis clay, can I Who grieve to see a floweret die Look on the body all unmoved Of him who was my heart's beloved? They have not loved and lost who said; Weep not: 'tis clay that lieth dead!'
