Rheumatic pains are the cries of protest and distress from tortured muscles, aching joints and excited nerves. The blood has been poisoned by the accumulation of waste matter in the system, and can no longer supply the pure and health sustaining food they require. The whole system feels the effect of this acid poison; and not until the blood has been purified and brought back to a healthy condition will

brought back to a healthy condition will the aches and pains cease.

Mrs. James Keil, of 707 Ninth street, N. R. Washington, D. C., writes as follows: "A few months ago I had an attack of Sciatic Rheumatism in its worst form. The pain was so intense that I became completely prostrated. The attack was an unusually severe one, and my condition was regarded as being very dangerous. I was attended by one of the most able doctors in Washington, who is also a member of the faculty of a leading medical college here. He told me to continue his prescriptions and I would get well. After having it filled twelve times without receiving the slighted tree to continue his prescriptions and I would get well. After having it filled twelve times without receiving the slighted twelve times without receiving the slighted twelve times without receiving the slighted to continue his treatment any longer. Having heard of S. S. (Swift's Specific recommended for Rheumatism. I decided, almost in despair however, to give the medicine a trial, and after I had taken a few bottles I was able to hobble around on crutches, and very soon there after had no use for them at all, S. S. S. having cured me sound and well. All the distressing pains have left me, my appetite has returned and I am happy to be again restored to perfect health. the great vegetable
