12 Minutes Lunch.

That is the average time spent in a large city restaurant by three thousand lunchers. It takes three hours to digest a fresh egg it; three hours to digest a boiled lumpling; three hours to digest nearl beef. In fact, three hours is the time required to digest the twelve minute lunch. The obthe hasty lunch is to let the busy back to his office work. But the brain is active, the stomach is we for lack of necessary blood. The on opens the door to many dis-
