

**THE GOLD LEAF.**

ESTABLISHED 1881.  
—BY—  
THAD R. MANNING.

THURSDAY, NOVEMBER 13, 1902.

The new Lord Mayor of London, Sir Marcus Samuel, is a Hebrew, the fourth one to hold that office. He is 40 years of age.

According to latest information the complexion of the newly elected Legislature will be as follows: Senate—Democrats, 45; Republicans, 4; Independents, 1. Total, 50. House—Democrats, 99; Republicans, 20; Independents, 1. Total, 120.

Since President Roosevelt has made Booker Washington, the negro educator, one of his chief political advisers touching Southern matters, why not invite him to become a member of his official family? Booker would grace a cabinet position quite as well as a place at the President's dining board.

The Richmond Dispatch states that there is to be a great fight in Richmond over the water question between the city officials and a strong lobby. A fight in Richmond over the water will doubtless result in considerable mud slinging—Orange Observer.

It will if they throw the water that Richmond is drinking.

A ROTHER OUN West held up a train, killed the engineer and killed the mail and express cars. It will be concluded, we think that this train robber deserves to be hung. But if he is caught, he will doubtless have many admirers and sympathizers to plead for his life—Richmond Evening Leader.

This train robber may deserve to be hung, but if he will come to North Carolina to be tried he will not be. He may have killed the engineer or conductor, but if deliberate, willful premeditation can not be proven he will not be guilty of murder in the first degree. Such is the law in this State.

It has been claimed for Senator Pritchard that he had more influence with the Administration than any other Southern Republican. Unless current reports from the White House are at variance with the truth, that distinction belongs to Booker Washington. The Alabama negro educator appears to have a stronger pull on the President than any other man South of the Potomac. No wonder Senator Pritchard is in favor of building up a white man's Republican party in the South when his influence at the White House is discounted by a negro.

Hox, B. F. Long, the newly elected Judge of the Tenth district, and Judge A. L. Coble, the defeated candidate, are both citizens of Statesville. This leads the Landmark of that town to say:

It is quite a coincidence that Messrs. Long and Coble, both residents of the same town, were opposing candidates for Superior Court judge eight years ago and Judge Coble won. This year they were again opposing candidates and Mr. Long won. Both are honored citizens of Statesville. Judge Coble has made a record on the Superior Court bench as an honorable, upright, conscientious and just judge. Mr. Long will also make a reputation on the bench which will reflect credit on himself and his people. He is an able lawyer of wide reputation and he has the courage to enforce the law as well as the ability to administer it justly and fairly.

**Asleep Amid Flames.** Breaking into a blazing home, some firemen lately dragged the sleeping inmates from death. Fancied security and death near. It's that way when you neglect coughs and colds. Don't do it. King's New Discovery for Consumption gives perfect protection against heart, chest and lung troubles. Keep it near and avoid suffering, death and doctor's bills. A teaspoonful stops a late cough, persistent use the most stubborn. Harmless and nice tasting, it's guaranteed to satisfy by Melville Drosy, druggist. Price 50c and \$1. Trial bottles free.

**Items From Whittsett.** WHEATSETT, N. C., Nov. 11, '02. Editor GOLD LEAF:—Miss Ethel Olive left yesterday to teach near Sadalia, N. C. Two new students from Western North Carolina arrived yesterday. Dr. William Edwin Hall, of New York, has given two splendid lectures to the school here.

**Sick Headache?** Food doesn't digest well? Appetite poor? Bowels constipated? Tongue coated? It's your liver! Ayer's Pills are liver pills; they cure dyspepsia, biliousness.

**CASTORIA** For Infants and Children. The Kind You Have Always Bought Bears the Signature of *W. T. Cheatham, Henderson, N. C.*

**NORTH CAROLINA'S DELEGATION IN CONGRESS.**

North Carolina's delegation in the next Congress will be unanimously Democratic. In the First, Second, Fourth and Seventh districts there was no opposition. In the Tenth the contest was close between Gudger and Moody, while Klutz defeated Blackburn in the Eighth district by a good majority. These were the closest districts. Following representatives were elected:

- First—John H. Small, of Beaufort.
- Second—Claude Kitchin, of Halifax.
- Third—Charles R. Thomas, of Craven.
- Fourth—Edward W. P. of Johnston.
- Fifth—William W. Kitchin, of Person.
- Sixth—Gilbert B. Patterson, of Robeson.
- Seventh—Robert N. Page, of Montgomery.
- Eighth—Theodore F. Kintz, of Rowan.
- Ninth—James Y. Webb, of Cleveland.
- Tenth—Edward M. Gudger, of Buncombe.

**The Philadelphia Record says:**—North Carolina sends a solid Democratic delegation to the next Congress, and the election of a Democratic Legislature insures a Democratic successor to Senator Pritchard. The evolution of a white Republican party in the South is evidently to be a movement of slow growth.

**THEOPHORE ROOSEVELT.** By the President: JOHN HAY, Secretary of State.

**Letter From Kittrell.** KITTRELL, N. C., Nov. 12, 1902. EDITOR GOLD LEAF:—Congratulations are hereby extended to our former townsmen, Mr. J. W. Moore of Raleigh, who will be one of the representatives of Cumberland county in the next Legislature, having been elected last week by a handsome majority. We are expecting to hear from him in the future.

**LET US GIVE THANKS.** Gov. Aycock Issues His Thanksgiving Proclamation.

The following proclamation has been issued by the Governor: "The State has greatly prospered during the past year. In its main our farmers have made good crops and received fair prices for them. Manufacturers have reasonably succeeded; labor has received a just reward for service; the State has had peace, quiet and good order. For all these blessings we owe acknowledgment to the Lord. Things do not happen, but the hand of God is in every happiness that comes to the people. It is appropriate that a Christian State should acknowledge its obligation to God for the blessings which it has enjoyed."
