VANCE SUPERIOR COURT.

Cases on the State Docket Disposed of at This Term.

Vance Superior Court was convened by Judge Brown Monday afternoon. His Honor was delayed in getting here and court was not opened until after dinner. The grand jury was drawn and business was proceeded with. The following named persons constituted this body:

W. H. Parrish, foreman; James T. Blanks, T. C. Hicks, Rufus H. Duke, J. L. Stone, C. T. Edwards, O. O. Young, R. G. Clark, O. M. Ellis, John B. Fox, A. R. Mingia, T. T. Marrow, Z. R. Clark, W. F. Roberson, Ed Ellington, Ira T. Hart, J. L. Rowland, Joe Wortham. Last named

Judge Brown said he was not feeling well and the usual charge to the grand jury was dispensed with. Sitting in the same place only a few months ago he had defined the duties of the grand jury and called attention to the various crimes and misdemeanors of which they were to take cognizance and he did not think it was necessary to do so again at this time. He spoke to an intelligent body of men who knew their duty and knowing it he was willing to trust them to do it.

Solicitor Daniels was present as State's prosecutor. The following (Dr. Hufham being away) A. C. Zolcases have been disposed of so far, licoffer, vice-president; J. L. Currin, the docket being about clear either by trial or continuance:

Willie Bailey and W. C. Ross, affray. Guilty as to Bailey, 4 months in jail. Not guilty as to Ross. Charlie Lowry and John Burton, negro, affray. Guilty as to Burton, the insolvent debtor's oath. Not

guilty as to Lowry. Tom Wyche, Charlie Smith and Joe Crudup, negroes, assault and battery with deadly weapon. Guilty as to Wyche, judgment suspended upon payment of costs. Not guilty as to Smith and Crudup.

as to Hudson. Robert Person, Dick Cheatham and Fred Smith, negroes, affray. Guilty as to Person, judgment suspended on payment of costs. Not guilty as to Cheatham and Smith.

Tillett Vaughan, nuisance. Judgment suspended on payment of costs in consideration of his having been in jail two months and promise to

Eugene Longmire and Gibbons Longmire, larcency. Guilty. This case occupied most of the court's time yesterday. It was past the usual time for adjournment when the speeches concluded and the jury retired to make up their verdict. Just before the jury took the case Eugene Longmire, the older of the two, who was under bond and not in the custody of the sheriff, walked out of the court house telling one of his lawyers that he would be back in a few minutes. But he has not returned yet and the presumption is that he will not, voluntarily, since the verdict of he jury is against him.

Joe Cole, Sr., the murderer Roadmaster Fred Stevers, saves his neck. Convicted of murder in the first degree and sentenced to be hung, the Supreme Court granted him a new trial. The higher court has been a long time in passing upon the case and it was not until Sunday that the decision was certified down. Monday afternoon Joe Cole was brought into court and through his counsel, T. M. Pittman, submitted to a plea of murder in the second degree. The question of sentence was then raised and his counsel endeavored to get him off with a lighter sentence than thirty years (the terms given Joe Cole, Jr., and Charlie Ferguson, convicted at the same time of murder in the second degree as acces-

sories) but this was opposed. After a brief consultation with his client Mr. Pittman said he was willing to take a sentence of 30 years and this was imposed. Cole was her sister Mrs. W. A. Adams, who is taken to Raleigh on the evening train and has entered upon his time which he said he did not expect to live long enough to serve out. He is now 45 years old he said.

pose of Electing Teachers, Filling Vacancies in the Board and the

Transaction of Other Business. The Board of Trustees of the Henderson Graded Schools met in regular annual session Monday for the purpose of electing teachers for the ensuing year, filling vacancies on the Board and the transaction of such other business as should come up for consideration. After paying the superintendent, teachers and others it was found that there was money enough left to pay off the debt on the school building, \$1,838,72. This was ordered done, the money was paid over Tuesday and the school is ree from debt.

After receiving the Superintendent's report the terms of C. A. Lewis, J. L. Currin and G. A. Rose expiring by imitation (they having been elected members of the Board for two years) the old Board adjourned. As then constituted by the other six members the Board met again and reelected C. A. Lewis and J. L. Currin and elected J. D. Cooper to succeed G. A. Rose, each for a term of six years. The newly elected members were notified and accepted. An organization was then effected by the election of D. Y. Cooper, president,

secretary. The Board asked the County Commissioners to make a levy of 15 cents on the one hundred dollars valuation of property. It is now 16% and this produced enough to run the school and pay off the debt on the judgment suspended upon his taking building. It is believed therefore that 15 cents will be sufficient to run the school well, and it is not the purpose of the Board to make the tax any higher than is necessary. The election of a superintendent
