Treasurer Burwell's Report.

The annual statement of the Citizens Bank for the year ending December 31, 1905, is published in this paper. Railway fund shows a balance of \$435.07 after paying interest on coupons; the sewerage fund shows a balance of \$462.53 after paying interest on coupons; and the D. & N. sinking fund is \$3,891.06.

"The Best Town in the State."

Let Governor Glenn step as high as he pleases today. He is the guest of the best town in the State—Charlotte Chronicle.

We must register a protest against the above announcement. Governor Glenn was "the guest of the best town in the State" long about State Guard encampment time last summer—true perhaps he was not aware of the fact.—Wilmington Messenger.

Neither correct. Governor Glenn was "the guest of the best town in the State" when he visited Henderson and spoke under the auspices of the Contemporary Club on the evening of December 4th. And he was aware of the fact at the time—and since.

The First National Bank.

You will not fail to observe the advertisement of the First National Bank, printed on the opposite page this week. Aside from its attractive appearance it will command attention for the information conveyed. Beginning operation in January, 1905, it showed deposits of \$39,000 March 14th when the first statement was made to the Corporation Commission. Deposits May 29th, \$48,000; August 25th, \$50,000; November 9th, \$80,000; January 9th, \$105,000. Resources nearly \$200,000. A healthy and satisfactory growth in business at which the management have cause to feel gratified. The First National Bank is a safe, conservative and progressive bank and offers every reasonable service and accommodation to its customers.

Beats the Music Cure.

"To keep the body in tune," writes Mrs. Mary Brown, 20 Lafayette Place, Poughkeepsie, N. Y. "I take Dr. King's New Life Pills. They are the most reliable and pleasant laxative I have found. Best for the stomach, liver and bowels. Guaranteed by Melville Dorsey, druggist, 25c."

Public Building for Henderson.

Hon. E. W. Pon has introduced a bill in Congress to appropriate \$25,000 for the erection of a public building in Henderson. This is well and if the proper effort is put forth something may come of it. A similar bill has been introduced before but it fell through. But the Henderson of today is not the Henderson of 1890. There is need of a public building and the town is sufficiently large to have one. Let Mr. Pon be backed up by the moral and material resources of the town.

AN ARTISTIC CALENDAR.

For Richness, Beauty, and Artistic Merit the Malt-Nutrine Calendar for 1906 Outstrips all Others.

The Art Calendar for 1906, issued by the Anheuser-Busch Brewing Association is an unquestioned triumph of artists' genius. It is composed of five panels, each 24x10 inches in size, representing the four seasons, the extra panel being a calendar of the year.

The panels are lithographed in twelve colors, picked out with gold, and are bound together with silken cord. The subjects, from the brush of Maud Humphrey, the celebrated artist, are idealized female figures, handled with the chaste delicacy and feeling which characterize Miss Humphrey's work.

Surrounding the central figures are descriptive border designs from the brush of C. A. Etherington, a pupil of Mueha, Paris, the greatest living decorative artist. These are representative of his great art and in common with all his productions are indeed a symphony of color harmonies.

This handsome calendar, with the season panels entirely free from advertising, will be sent to any address upon receipt of the enclosed two red waxed foil caps from Malt-Nutrine Bottles, sent to the Malt-Nutrine department of the Anheuser-Busch Brewing Association, St. Louis, Mo.

Always Increases the Strength. A reasonable amount of food thoroughly digested and properly assimilated will always increase the strength. If your stomach is a "little off" Kodol Dyspepsia Cure will digest what you eat and enable the blood to transform all foods into tissue-building blood. Kodol relieves Sour Stomach, Belching, Heart Burn and all forms of Indigestion. Palatable and strengthening. Sold at Parker's Two Drug Stores.

WANTED—10 men in each State to travel, post signs advertise and leave samples of our goods. Salary \$75.00 per month. \$3.00 per day for expenses. Broyer Supply Co., W. Atlas Block, Chicago.

After Inventory Cash Clearing Sale OF WINTER STOCK (Not everything) Thomas & Newcomb.

This January 8, 1906. W. W. ROWLAND, Executor, with will annexed, of Mrs. Martha Smith, deceased.

EXECUTOR'S NOTICE. I HAVE QUALIFIED AS EXECUTOR of the will of the late Wm. S. Fuller before the Clerk of the Superior Court of this County, this is to certify the holding claims against the said estate to present the same to me on or before the 4th day of January, 1907, or the next day thereafter, in bar of the recovery thereof. All persons indebted to said estate must make immediate settlement. This 4th day of Jan. 1907. MARY L. FULLER, Executrix of Wm. S. Fuller, deceased.

SOUSA AND KING EDWARD.

The Meeting of These Two Dignitaries. Not a Circumstance to the Meetings of the March King and Henderson's Lord Mayor.

The following which is taken from an exchange will be read with local interest from the fact that John Philip Sousa visits Henderson every year for a season of shooting and is not a stranger in our midst. True he is not the guest of a king when he comes here but in our Lord Mayor he finds a royal good fellow, and as a capital story teller and inimitable entertainer the GOLD LEAF hazards nothing in saying King Edward is not in a stranger in our midst. And the stories of the latter's adventures are about more "vicious" animals and feroceous fowls than the milk-eyed rabbits and harmless pheasants that infest the royal English hunting preserves. But to the article in question:

When John Philip Sousa and his band appeared before King Edward at Windsor castle, it did not take long at the supper which followed the concert for the king to discover a common bond of sympathy between the American bandmaster and himself. "I love music," said his majesty, but the only art I really practice myself is that of hunting. Sousa is an enthusiastic devotee of the gun and in almost less time than it takes a partridge to rise, King Edward and the king were swapping hunting stories of all kinds, sizes and degrees. The king listened with eagerness while Sousa related stories of the hunt, and the king's interest and eagerness which tempt the ambitious nimrod in Western America. King Edward's adventures had been limited to necessity chiefly to the forest pheasants and blood-thirsty rabbits that abound on the royal English hunting preserves. Several days after the visit to Windsor, a small box, a large box, and a real curlew, were sent to the Carlton hotel in London, where Sousa was stopping. The courier brought him a warrant, appointing him a member of the Royal Victorian Order of England; small box contained the jeweled emblem of the order, and the large box was found to hold four beautifully marked pheasants, tied with a tag on which was written, "To John Philip Sousa, Esq., from His Majesty, the King, Sandringham." They were shot by His Majesty himself, said the courier. Sousa and the pheasants stuffed and mounted on a fine oak board, under a glass case, and the tag from the king is framed with the birds. Perhaps his majesty expects some day to receive a mounted buffalo from Sousa in return.

A SUGGESTION

To the People of Henderson. The articles appearing in some of our leading papers, but the most recent, deal of discussion in Henderson regard to advertised medicines, their reliability and power to cure, and as a local druggist, I feel it my duty to say to the people of Henderson, that I believe one of the most reliable medicines that we have known in our drug experience is Gowan's Pneumonia Cure. It is a powerful, oil preparation, made with out oil.

Vinol is not a patent medicine, everything in it is printed on the back label of every bottle and it actually does contain a highly concentrated form of all the medicinal, curative elements of cod liver oil, taken from the finest cod fish, and without a drop of system-clogging oil to upset the stomach and retard its work, and this is why it stands superior to all other cod liver oils.

Inasmuch as Vinol is therefore the latest scientific improvement of an old and standard remedy it is the greatest strength-giver for old people, weak, sickly women and children, nursing mothers and after a severe sickness. It cures hacking coughs, chronic colds, and all pulmonary troubles. We positively guarantee to return money if it fails. W. W. Parker, Druggist.

Stockholders' Meeting.

The regular annual meeting of the stockholders of the First National Bank was held in its banking house on the 9th inst. The meeting was well attended and the stockholders pleased at the statement submitted covering a period of about ten months. In even so short a time the resources of this bank have grown to be practically two hundred thousand dollars. No dividend will be declared, as it will be the policy of the bank to lay by each year a surplus for additional security to the patrons of the bank. Though a year ago Mr. Peace and Mr. Haskins the cashier and teller, respectively, were strangers to us, they have cast their lot in life with the people of Henderson and we know them as our own.

Mr. R. J. Corbitt, secretary and manager of the Corbitt Buggy Co., and Mr. C. J. Burton, vice-president of the Henderson Loan & Real Estate Co., were elected directors which completes the board as it now stands: S. R. Harris, C. H. Turner, Robert Lassiter, J. A. Kelly, E. G. Davis, Henry Perry, L. R. Gooch, H. T. Morris, W. D. Burwell, R. J. Corbitt, C. J. Burton, S. T. Peace, W. P. Venable, F. E. Nolting, and T. K. Santis. The meeting was held in the afternoon at 2 o'clock in the banking house of the Henderson Loan & Real Estate Co., which was presided over by Mr. C. J. Burton.

A Thousand Dollars Worth of Good. A. H. Thurnes, a well known coal operator at Buffalo, O., writes: "I have been afflicted with kidney and bladder trouble for years, passing gravel and stones with excruciating pain. I got no relief from medicine until I began taking Foley's Kidney Cure, then the result was surprising. A few doses started back like five stones and now I have no pain across my kidneys and I feel like a new man. It has done me a thousand dollars worth of good." Melville Dorsey, druggist.

The Original. Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar, imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. Melville Dorsey, druggist.

WORKS WONDERS EVERY TIME

How Gowan's Pneumonia Cure Cures Colds, Sore Throat, Croup, Pneumonia—All of them. It Cures from Colds—And the Reasons Why.

When you have a cough or a pain in the chest, your cold is settling there—and this is very dangerous. Most of the deaths in winter begin just this way.

Wherever your cold is centered, there you must apply the remedy. Either on your chest or throat. Now when you take an internal remedy it has to pass through the stomach. Often it wrecks your digestion and never acts to your lungs at all.

Gowan's Pneumonia Cure is extreme. It penetrates—goes right into the seat of the trouble, and soothes at once the irritated lungs or throat. It casts out the germs of cold, consumption, pneumonia—all evil germs. That is, it makes the lungs grow to cast these germs out.
