A New Hotel Would Be a Paying Proposition. Talking with a gentleman about the need of a new hotel, he said he had two propositions from reliable and successful hotel men that would make a hotel a better paying proposition than several of our manufacturing enterprises. With the assurance that the investment would be a paying one why is it that our business men hesitate about the matter? There can be no two opinions about the need of another hotel. And certainly lack of the necessary capital cannot be offered as an excuse. That is here in abundance and seeking profitable investment, but our people seem slow to keep abreast with other towns in the matter of modern hotel accommodations. And as we have said before, Henderson suffers loss of business and reputation because of this.

Dr. Smith's Address. The address of Dr. Henry Louis Smith, president of Davidson College, at the Presbyterian church Sunday morning on Christian Education, was worthy of the man and the subject. And that is saying all that needs to be said to those who know Dr. Smith. He is a gifted speaker, full of zeal in the great cause in which he is laboring and no one who heard him can fail to have a higher conception and a deeper appreciation of the splendid work Davidson College is doing for the Presbyterian church in the South. This is not a theological college—in fact it has no theological department—and yet the Christian influence and training is such that it is sending more young men into the ministry than any other institution. The statements of Dr. Smith in this respect were a revelation to many who heard him, and we are sure that all Presbyterians have cause to feel a deeper pride in Davidson College and must be moved to a more liberal support and co-operation in the great work it is doing.

KILLED BY TRAIN.

Sad Accident at Weldon Tuesday Afternoon—Capt. T. F. Anderson, Agent of the Seaboard Air Line Railroad Company at that Place, the Victim.

Capt. Thomas F. Anderson, agent of the Seaboard Air Line Railroad at Weldon, was run over and killed by a train Tuesday afternoon. He was on the yard watching a switch engine, just as passenger train No. 38 approached. Walking with his back toward the on-coming train unconscious of the danger behind he stepped on the track right in front of it and was run over and instantly killed, the body being literally ground to pieces. It is supposed that the noise of the switch engine which was close to him at the time kept him from hearing the rumbling of the train behind and it was on him beyond for a moment. The passenger train was late and running at a high rate of speed and so close was it to Capt. Anderson when he stepped on the track ahead of it that it was impossible for the engineer to avert the serious accident.

Capt. Anderson was a native of Mecklenburg county, Va., and was in the 64th year of his age. He went to Weldon when he was a boy and his first railroad experience was in the service of the old Raleigh & Gaston Railroad. He was conductor on the road for awhile and then quit to engage in other business. In 1874 he returned to the service of the railroad and had been agent of the company ever since, remaining with it through all its changes of management and change of name. A faithful and efficient employe he was, and a capable and popular official.

Capt. Anderson was one of the best and best beloved men in Weldon. The writer knew him well and sorrows with the grief-stricken family and relatives in his tragic death. He was an earnest, consistent Christian and a devoted Methodist. Sudden as was his taking off he was prepared to meet his God whom he had so long and so loyally loved and served.

He will be remembered as "Tom" Anderson, gallant, golden-hearted gentleman.

Death of James E. Townes. Mr. "Jimmie" Townes, as he was familiarly called, died at the home of Mr. Dreyer S. Morrow, near Williamsboro, March 31, at 5 o'clock p. m. This announcement will carry sorrow to the hearts of his friends and former comrades throughout this section and elsewhere.

James Edmund Townes was born at 257 E. 1st St., reaching his 37th birthday last Christmas. He was a genial and companionable man and had a wide acquaintance and friendship. A member of the class of 1862-63 at Chapel Hill he left college to go in the army as so many young men of that time did and never graduated. He was 3rd corporal of the 3rd Virginia Guards, generally known as Company F, Second North Carolina Volunteers, which later became Company C, after the concept law. He was transferred to the 3rd Virginia cavalry and was desperately wounded. Mr. Townes was a gallant soldier and attested his bravery on many a hard fought battle field. He never married but leaves a number of relatives in this State and Virginia.

The funeral was held at 2 o'clock Sunday afternoon Rev. E. P. Bradley conducting the service. Interment was made at his old home, Murrells.

DEATH OF A. W. CHANDLER.

Well Known Piano Man and Former Resident of Henderson Dies in Goldsboro Early Saturday Morning After Short Sickness—Remains Brought Here for Burial.

Mr. A. W. Chandler, former resident of Henderson, died in Goldsboro Saturday morning at 5 o'clock. He was sick about two weeks and was not thought to be in any immediate danger until Wednesday night when he grew alarmingly worse. He realized his condition and knew he must die and expressed a readiness to meet his God in whom he had put his faith. He died of acute Bright's disease. A. W. Chandler was born at South Boston, Va., and would have been 43 years old in May. He came to North Carolina several years ago and engaged in the piano business in which he was signally successful. Few men had the knack of a salesman that he had and it was said that he could sell pianos where others failed. He had been with the Cable Piano Company 12 or 15 years and no man in their service enjoyed their confidence and esteem in a higher degree. With headquarters in Goldsboro he was manager of the Company's business in Eastern North Carolina. His loss will be greatly felt by the Company and Mr. J. G. Corley, the general manager and his business associates pay high tribute to his worth as a man and as a salesman.

The body was brought to Henderson Sunday and buried at 2:30 o'clock Rev. L. L. Nash conducting the service. Mr. C. B. Hocutt, who has been associated with Mr. Chandler in the management of the Cable Piano Company's business in Eastern North Carolina for the past two years, and who so faithfully nursed him in his last hours, accompanied Mrs. Chandler and the remains to Henderson.

Mr. Chandler formerly lived in Henderson and married here his wife, the only daughter of Dr. J. R. Moss of this place. He leaves three brothers and two sisters beside his wife. Of these Mrs. Mitchell and Mr. James Chandler of South Boston, came to attend the burial. There were also present Mr. R. A. Lee and Mr. C. B. Hocutt of Goldsboro, Mr. Chas. G. Langley and Mr. Chas. O. Garrett of Durham, and Mr. J. G. Corley of Richmond.

EARLY CLOSING.

Merchants of Henderson Adopt Early Closing Hours During the Summer Months—People are Asked to Co-operate in this Movement and to Their Shopping Before 6.30 p. m.

At a meeting of the Retail Merchants Association of Henderson held April 2nd, the following resolution was unanimously adopted: Resolved, That the members of this Association, except drug and refreshment stores, do hereby agree to close their stores promptly at 6.30 o'clock every week day, except Saturday, until further action by the merchants of Henderson; and in case of the adoption of this resolution, the Secretary of this Association shall make known to all merchants of our city, the agreement, and request their co-operation.

Pursuant to the above resolution the secretary practically secured the merchants of the town and secured the following names to aid agreement: We, the undersigned merchants and business men of the town of Henderson, hereby signify our approval of the above resolution, and purpose to comply with its terms. E. Kelly & Co., R. B. Powell, Geo. A. Rose Co., Beacon Supply Co., B. S. Barnes, Geo. E. Perry, W. T. Whitten, Barnes Clothing Store, Davis & Sons Co., H. S. Williams Co., Maurice J. O'Neil, Samuel Watkins, Henderson Novelty Store, Pace & Parks, A. T. Barnes, Burroughs-Coleman Co., D. W. Harney Furniture Co., Thomas & Newcomb, Henderson Furniture Co., Southern Grocery Co., Parham Bros. Supply Co., W. T. Cheatham, Henderson Grocery Co., Surges & Shell Co., Singer Sewing Machine Co., Hise Toss L. Thomas, Mrs. Missillier, E. E. Hight, Edwin Stephens.

The adoption and endorsement of the above by practically all the merchants of our city is significant; it goes to show that the enterprising business men of our town count as factors in the success of their business, the welfare of their clerks, and realize that a few hours of these lengthening days spent by their employes and themselves in recreation, will not only be a benefit to their health, but the fact that their employes have voluntarily given evidence of that interest will naturally produce, on the part of the merchant, an ambition to manage his business in a better service; the rest, recreation and recuperation, will increase mental and physical powers, and on each successive day, rested minds and encouraged a realization by the clerks that a community of interest exists, and that ignorance or neglect of its demands will be harmful to both. You can measure a merchant's success by the interest of the clerks in the business, and merchants have ceased to consider their clerks as mere machines.

I have gone beyond my authority. I was instructed by the Retail Merchants Association to publish in the GOLD LEAF a statement of the closing hour, and request the cooperation of the citizens of Henderson and vicinity, to the end that the arrangement may prove satisfactory to all parties concerned. I am constrained by the force of habit to appeal to the ladies, (in my younger days I did it from choice, now I am a married man) this I do the more readily because I am satisfied that the successful operation of this proposition depends, in a large measure, upon their approval and assistance. If they will demand that the letter as well as the spirit of the obligation be complied with, and when the closing hour is fixed in the store, if necessary, remind the proprietor or one of the clerks that it is time to close, then with tact and grace, characteristic of the sex, make it easy to close the store and business for the day. A merchant or clerk does not mind politely informing a man that the time for closing has come, but unaturally and properly, they prefer when a lady is concerned, that she take the initiative step.

Trusting that the above, and all actions, the purpose of which is benefit to our citizens or development of our town may have the individual and collective support of all. Very truly, D. B. McINTYRE, Secretary.

Oscar Bowman, Lebanon, Ky., writes: "I have used Foley's Kidney Cure and take great pleasure in stating that it cured me permanently of kidney disease, which certainly would have cost me my life. A Good Man Gone to His Reward.

Rev. Chesley Coghil died at his home near Gilburg Sunday night about 9 o'clock. He had been in feeble health a long time but his immediate sickness was only about 3 weeks duration. A good man has gone to his reward. Many were who have been blessed by the influence and example of "Uncle Chesley" Coghil. His life, humble though it was, was a blessing and benediction to those about him. He was a Godly man, zealous in good works, earnest in prayer, fervent in spirit.

Mr. Coghil was a member of the Baptist church at the Harriet Cotton Mills and was a deacon of the church. He had no regular charge but preached as opportunity presented itself, and wherever the Lord's work was being done he delighted to assist and testify for his Master. The funeral was held at 3 o'clock Monday afternoon at the residence. Rev. O. M. Marshall, his pastor, conducted the service assisted by Rev. G. W. Holmes of Kittrell, and Rev. J. D. Larkins of Henderson. Mr. Holmes and Mr. Larkins paid warm and affectionate tribute to the aged servant of God, as did Mr. S. R. Harris, Mr. W. B. Daniel and Mr. Benjamin Smith. It was better to have been worthy of the eulogies of those men than to have reigned a king. And the subject of their remarks was. Of him it may be truly said "Well done, good and faithful servant" of the most high King.
