Mrs. J. W. Goodson Dead

The End Came Unexpectedly at Her Home in Kinston Sunday Morning.

The sad tidings of the death of Mrs. J. W. Goodson, at her home in Kinston, at 10 o'clock Sunday morning, carried sorrow to the hearts of many persons in Henderson who knew and loved her well. Mrs. Goodson lived in Henderson several years ago, being engaged in the tobacco business, and his wife and children spent one summer here with him. Both had many friends among our people who feel a sense of personal bereavement at the sad visitation that has taken the beloved wife and mother from this happy home. Their oldest daughter, Miss Nannie Goodson, visited friends in Henderson only a few weeks ago and shortened her stay to go home and be with her mother. She had just returned from a hospital in Baltimore. Mrs. Goodson had been operated on for appendicitis and was apparently getting on very well when hemorrhagic fever complicated with other diseases developed and this terminated her life. The body was taken to Durham and buried Monday at Trinity Methodist church, Dr. R. C. Beaman conducting the service, assisted by Dr. J. C. Kilgo and Dr. E. A. Yates.

We take the following from the Kinston Star: Mrs. Anna Walker Goodson was a good and lovable Christian woman, and was 40 years of age. She was the youngest daughter of the late Rev. and Mrs. Alex Walker, and for a number of years was a most efficient member of the Durham Graded School faculty, and also did school work in Kinston.

On the 24th of December, 1882, she was united in marriage to Mr. J. W. Goodson, of Caswell county, who at that time had come to Durham to reside, and lived here until about three years ago, when the family moved to Kinston. Of this union there are three children, Will Lee, Nannie and Margaret, who mourn her loss with a devoted husband. Besides these she leaves four brothers and three sisters, who are again called upon to feel the heavy hand of affliction.

Mrs. Goodson was one of our most fondly loved ladies. With a bright smile and cheering words for all with whom she came in contact, she had tenderly and firmly entwined the tendrils of love and affection around their hearts—both in Kinston, and in this city, where she lived many years and was so long engaged in graded school work, for which she was so eminently fitted. In her demise the Death Angel removes one for whom life apparently held so much. The whole of Durham mourns her death, and its great sympathetic heart goes out to the bereaved husband, children and relatives.

"Call not back the dear departed, Anchored side where streams are o'er, On the border land we left her, Soon to meet and part no more. Far beyond the world of changes, Far beyond this world of care, We shall find our missing loved one, In our Father's mansion fair."

Given up to Die. B. Speigel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second I was entirely cured." Melville Dorsy.

Death of Mrs. F. J. Hill. Mrs. Fred J. Hill died at the home of her son, Mr. William Hill, in Washington, D. C., on the 7th of August. She had been in failing health for six or eight months, but the announcement of her death came as a painful surprise to her relatives and friends in Henderson. Mrs. Hill was about 70 years old and leaves a son beside her husband. She was a devout communicant of the Episcopal church, a woman of gentle nature and sweet personality and was loved and esteemed by a very large circle of friends, who deeply mourn her death.

Mr. and Mrs. Hill lived in Henderson for ten or twelve years. About five years ago they went back to their home in Loudoun county, Va., spending a part of the time with their son in Washington. Mr. Hill is an uncle of Mrs. J. H. Tucker, and he and Mrs. Hill have frequently visited Henderson since they left. Both had a great many friends among our people, and in the death of his good wife, Mr. Hill has their deepest sympathy.

Coal Pile Savings Bank Sounds rather queer, doesn't it? Many a householder burns up good money, winter after winter, that the

Peck-Williamson Underfeed Furnace would save. Until the Underfeed came to revolutionize heating plants, nobody looked on coal piles as good hiding places for economy. Brunswick Stew and Barbecue.

The editor of GOLD LEAF acknowledges the receipt of an invitation to be present at a Brunswick stew and barbecue to be given at Mush Island farm, near Weldon, Friday, Aug. 17, 1906, complimentary to Dr. I. E. Green. To say that the function will be given under the auspices of Mr. A. E. Wilson, the occasion being the birthday of Dr. Green, is enough to assure its perfect success and enjoyable nature. From time immemorial Weldon has held the championship record for rockfish muddle, nor is it one whit behind when it comes to Brunswick stew and barbecue.

We find ourselves somewhat embarrassed and almost wish that we had been overlooked when the invitations were being sent out. How can we resist the temptation of such a feast? Think of it! Brunswick stew and barbecue! And at old Weldon, too! As Senator Vance said on one occasion our stomachs is with you, boys, but our presence is demanded elsewhere. And we cannot divide our forces. But if Dr. Gee, and Maek Long, and "Tody" Edwards, and a host of others of the old guard were still in the flesh; or if Tom Emery, and Jim Grooch, and "Squire" Joe Evans, yet retained the capacity for eating that they once carried about with them we'd have no fears that the dinner would be done full justice to even though we cannot be there.

A world of truth in new words: "Nearly all other cough cures are constipating, especially those containing opiates. Kennedy's Laxative Honey and Tar moves the bowels. Contains no drugs." You can get it at Parker's Two Drug Stores.

NOTICE! To Water Consumers. Owing to the washing away of the dam at the pumping station, the water service will be discontinued until repairs can be made. All Water Closets, therefore, during that period, must be closed and not used to prevent sickness arising from lack of proper flushing of the closets.

Death of Mrs. Lucy D. Clifton.

Friends here learned with regret of the death of Mrs. Lucy D. Clifton at her home in Louisburg Sunday afternoon. A native of Henderson, where she was born 61 years ago, she had many acquaintances and relations among our people. Mrs. Clifton was a daughter of William and Virginia Hawkins Andrews, and was a sister of Col. A. B. Andrews and Mr. Phil H. Andrews of Raleigh. Mrs. J. W. Atkinson of Wilmington, Mrs. T. H. Haughton of Charlotte, and Mrs. W. J. Robards of Henderson. She leaves one son, Mr. Alex A. Clifton.

The Louisburg Progress says this: Mrs. Clifton filled every relation of woman's life in the world, bearing herself in all with unflinching faithfulness and instinctive love. As daughter, wife and mother, alike she was true and good. In the home, in the church and in society she showed those virtues which make beautiful a woman's life. May God rest her, and bring peace and consolation to her stricken people.

Another Good Man Gone Wrong. He neglected to take Foley's Kidney Cure at the first signs of Kidney trouble, hoping it would wear away, and he was soon a victim of Bright's Disease. There is danger in delay, but if Foley's Kidney Cure is taken at once the symptoms will disappear, the kidneys are strengthened and you are soon sound and well. A. B. Bass of Morgantown, Ind., had to get up ten or twelve times in the night, and had a severe backache and pains in the kidneys, and was cured by Foley's Kidney Cure. Melville Dorsy.
