

THE GOLD LEAF.

ESTABLISHED 1881.

—BY— THAD R. MANNING.

THURSDAY, JANUARY 17, 1907.

If a more assinine exhibition has been made than the hallohaloo against Gov. Glenn's reading his message to the Legislature, we have failed to observe it.

According to the report of Manager W. P. Batchelor of the Raleigh dispensary, receipts of that institution for last year aggregated \$243,300. This exceeds the sales of the previous year by \$39,000, and no legislature was in session last year, either. This does not look much like the consumption of liquor is being curtailed by Raleigh's great moral institution.

Thousand Dollars Worth of Good. A. H. Thurston, a well known coal operator of Buffalo, O., writes: "I have been afflicted with kidney and bladder trouble for years, using gravel and stones with excrementing urine. I got no relief from medicine until I began taking Foley's Kidney Cure, then the result was surprising. A few doses started the brick dust like fine stones and now I have no pain across my kidneys and I feel like a new man. I have done me \$1,000 worth of good."—Melville Dorsey.

Wreck on the Seaboard. The Seaboard Air Line's fast Florida train No. 84, Northbound, was wrecked two miles this side of Raleigh Tuesday morning. The train ran into an open switch at the junction of the Raleigh & Palmico Railroad, and the engine and four Pullman coaches were derailed and hurled down an embankment and the coaches were burned. No lives were lost and no one was seriously hurt. A corpse in the baggage coach en route from Florida to Pittsburgh, Pa., was burned. The widow and a brother of the dead man were on the train at the time.

Wise Counsel From the South. "I want to give some valuable advice to those who suffer with lame back and kidney trouble," says J. E. Blakelock, of Beck, Pa. "I have proved to an absolute certainty that Electric Bitters will positively cure this distressing condition. The first bottle gave me great relief and after taking a few more bottles, I was completely cured, so completely that it becomes a pleasure to recommend this great remedy." Sold under guarantee at Melville Dorsey's drug store. Price 50c.

Senator Overman's Fine Speech.

Charlotte Observer. Senator Overman's speech in opposition to measures so destructive of States' rights as the proposed Federal child labor laws has proved a notable one.

It has been widely discussed by the press of the country, and even those who have wandered furthest from the tenets of the fathers recognize its ability. By those who have kept the faith it is hailed as a loud, clear call to arms. With regard to its effectiveness as delivered in the Senate the venerable Senator Pettus, of Alabama, is thus quoted in the Washington correspondence of the New York World: "Overman made a grand speech. It reminded me of Webster at Bunker Hill when he addressed the 'venerable men who came from afar.' Overman talked of things we had forgotten fifty years ago and which I supposed were buried by the statute of limitations."

Nearly every person who is subject to attacks from the stomach suffers from a morbid dread of a dietetic treatment for relief, that is three-fourths starvation and one-fourth toast and milk. On the other hand you can eat as you please and digest the food by the aid of a good digestant, thus giving the tired stomach equally as much rest. Eat what you please and take a little Vinol for indigestion after your meals. It digests what you eat, sold at Parker's Two-Drug Stores.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Patrick A. Bobbitt.

A gloom was cast over our community January 14th at 2 o'clock, when one of our best citizens, Mr. Patrick A. Bobbitt, passed away after an illness of only two weeks.

Mr. Bobbitt has served this county as Justice of the Peace and School Committeeman, his last public services as member of the Board of County Commissioners. He always stood for what he thought was right in the face of stern opposition. Our little village, which was named for him, will miss him for his judgment could be relied upon on most any subject, and his ready wit and humor brought cheer to many a heart that was made sad through adversity. He was buried at Plank Chapel of which church he had been a member for many years. Rev. H. C. Stamey officiating, assisted by Rev. R. C. Craven of Henderson. Mr. Bobbitt was a member of the Masonic Lodge of Henderson and was buried with the honors of that order most impressively conducted by Prof. J. T. Alderman. The Bobbitt school presented flag at half mast and turned out in full force to pay the last salute to his memory.

He leaves a wife and three children, two brothers and three sisters and a host of friends to mourn his death. May every soul become resigned to the will of Him who doeth all things well. A FRIEND.

WANTED

Every Man, Woman, and Child in Henderson.

To call at our store for the greatest strength creator and health restorer which we have ever sold—Vinol. It is not a patent medicine, but the most valuable and delicious cod liver preparation without a drop of oil to nauseate and upset the stomach and retard its work. We do not believe there is a person in this vicinity who cannot be benefited by Vinol at this season of the year. Vinol is delicious to the taste, and it is recognized as the greatest strength creator for old people, weak, sickly women, children, nursing mothers, and after a severe sickness.

Vinol is unequalled for hacking coughs, chronic colds, bronchitis and all throat and lung troubles. Creates an appetite and makes those who are too thin, fat, rosy and healthy.

We have had so much experience with Vinol and seen so many wonderful results from its use that we offer to return money without question if it does not accomplish all we claim for it.

Can anything be more fair than this? Try it on our guarantee. W. W. Parker, Druggist.

NOTE.—While we are sole agents for Vinol in Henderson, it is now for sale at leading drug stores in nearly every town and city in the country. Look for Vinol agency in your town.

In Memoriam.

"Blessed are the pure in heart, for they shall see God."—Mat. 5: 8. Fell asleep on Tuesday, Jan. 8th, at 11 p. m., amid the surroundings of her quiet, pretty home, in Henderson, N. C., in her 23rd year, Isabelle, eldest daughter of Colonel and Mrs. W. E. Gary.

When we wish to express the admiration we felt for one who has passed away how feeble seems our efforts! So feels the author of this sketch of one "so young, so beautiful and so good," whose life was strewn with cheerfulness and love. Miss Isabelle was a young woman of wonderful charm of manner and endeared herself to all: a favorite among her friends; and a sunny member of her home, possessing the inestimable art of making all duties seem pleasant, easy and desirable, and within whose influence one was apt to feel cheerful, aimable and hopeful. Her spirit of gentleness and her radiant smile and warm heart, found a welcome everywhere at all times.

The tribute of her brother over the remains of this dear girl deserves to live as a true portrayal of her beautiful life. "She was a noble girl; a fine character and blessing to the home." He knew the real goodness of her heart, the greatness of her soul, and the purity and sweetness of her character.

Death to God's children is the entrance to felicity; the beginning of all blissfulness; a passage to the Father; a chariot to Heaven. The light of the world has faded from her eyes, but lying at the feet of her Saviour, light perpetual will shine upon her.

The gates of life swing either way. On noiseless hinges, night and day. One enters through the open door. One leaves to return to me. And which is happier, which more blest, God knoweth best.

"He guards the gates. We need not dread The path these dear feet must tread. Nor fear for her who from our sight Passed through them to realms of light— Both in his loving care we rest. God knoweth best." A FRIEND.

When a married woman throws a hint it is sure to strike her husband's pocketbook.

Indigestion

Stomach trouble is but a symptom of, and not itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Restorative—Dr. Shoop's Restorative. Going direct to the stomach, that source of all distress and favor to all, Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.
