

Think More—Spend Less.

Why is it that the average man is worth so much less in money and property than we have a right to expect him to be? It isn't because he doesn't make the money, for the average man is industrious and has earned from \$10,000 to \$20,000 in the past ten years. It is because he doesn't give much serious thought either to his income or outgo.

In Memoriam. While it is sad to chronicle the death of a friend, yet it is pleasant to record the deeds of one whose lovely disposition, charming manner, unselfish devotion and Christ-like spirit left a fragrance which the passing of years will not obliterate. In the inscrutable Providence of God, are many expressions too mysterious for the mind of man. "We know that He doeth all things well," therefore we accept with resignation the taking to Himself of an esteemed, beloved, and faithful member of our Sabbath-school, Miss Isabelle (Gary), whose zeal for her Master was expressed in faithful attendance.

THIS IS WORTH SAVING. The following simple home-made mixture is said to relieve any form of Rheumatism or headache, also cleanse and strengthen the Kidneys and bladder, overcoming all urinary disorders, if taken before the stage of Bright's disease. Fluid Extract Dandelion, one-half ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle and take in teaspoonful doses after meals and at bedtime.

A well known authority states that these ingredients are mainly of vegetable extraction, and harmless to use, and can be obtained at small cost from any good prescription pharmacy. Those who think they have kidney trouble or suffer with lame back or weak bladder or Rheumatism, should give this prescription a trial as no harm can possibly follow its use, and it is said to do wonders for some people.

"According to a Utica judge, 'two drinks are an aggravation, never a drug.' That may depend on the stuff.

A Thousand Dollars Worth of Good. A. H. Thurman, a well known co-operator of Buffalo, O., writes: "I have been afflicted with kidney and bladder trouble for years, passing gravel and stones with excruciating pain. I got no relief from medicine until I began taking Foley's Kidney Cure, then the result was surprising. A few doses started the brick dust like the stones and now I have no pain across my kidneys and I feel like a new man. It has done me \$1,000 worth of good." Melville Dorsey.

For Sale. One two-horse wagon, one single wagon, two good farm horses, and lot of farming utensils. All practically as good as new. Reason for selling large farm and do not need extra stock. Prices reasonable.

Solid Gold Watch to be Give Away! Beginning Jan. 15th and ending Feb. 28th, we will run a Cut Price Sale, during which time our entire stock will be offered at a REDUCTION OF 20 PER CENT.

(Except Howard Watches and Diamonds) from our regular price, which means that you get \$25 worth of goods for \$20, \$15 worth for \$12, \$5 worth for \$4. As no dealer can change the price of Howard watches, and we only make 10 percent on diamonds, we have to except these. We will, however, make a Reduction of 8 per cent. on Diamonds during this sale

We are making these exceptional prices to advertise ourselves and to move out the stock we have, in order to make room for the new spring and summer stock which we are going North to buy at an early date, and that this offer and these prices will move it we know there is no question.

At the end of this sale a Fine Solid Gold Watch will be given ABSOLUTELY FREE to the most popular young lady in town, whose popularity will be determined by the votes of our purchasers. Each purchaser who desires to vote in the contest will be given one vote for each dollar's worth purchased. Each Saturday night a list of the votes will be made out and placed in our window, so that every one can see just how the different contestants stand. This shall be a strictly fair and impartial contest. Every purchaser can vote or not, just as they prefer. The watch given is a solid gold watch, with 15 jewel Hampden movement, with new patent swivel pendant, the very latest size and style in watches, and the lucky winner will have something worth prizing; the regular retail price of the watch is \$35.00.

On March 1st our store will be decorated for the occasion and the winner invited here at 8 o'clock, p. m., and the prize presented with our compliments. Young men stand by your favorites, while you can save yourself 20 per cent. on your own needs. There is no excuse for not doing so and they will surely expect it of you. You may win the most popular girl in town by it—who knows?

Bear in mind that this is no sale of odds and ends, but the very latest styles and newest goods, in fact, at present we have not as much as \$200.00 worth of goods in our entire stock that has been in our store over six months.

Society Circus at the Grand Theatre Last Thursday and Friday Nights Best Thing of the Kind Ever Seen Here—Audiences Captivated by Wonderful Work of Clever Performers.

In the two splendid performances presented at the Grand Theatre last Thursday and Friday nights the Society Circus more than met public expectation. And knowing the reputation and ability of the performers, much was expected.

The program was not only excellent, but the best of its kind. No such riding water seen here before, and we do not believe better has been seen anywhere. When we say the word (Laughing) Banister, M'Le, Ada, David and Fred—were the principals this opinion will be readily accepted by those who know them.

The opening number of the program was leaping and somersaulting over horses—a feature of the old time circus now too rare. Mr. David Castello Laughlin was master of ceremonies and the "old man" was given an ovation by his friends when he appeared on the stage. Time was when Mr. Laughlin was recognized as one of the best all-around show men in the business. As a leaper, somersaulter, acrobat and gymnast he was equally good, while as a bareback rider and bounding jockey he was the peer of any man. He has now—some time ago. Dead (to the profession) he yet lives in his sons, who are veritable "chips of the old block."

Not many of their friends in Henderson had seen their performances and their work was a pleasing surprise to them. The performance was good all the way through and very enjoyable. But the riding of Mrs. Castello, David and Fred Castello and France Reed constituted the chief features in which the accomplished work of the true artist was illustrated in the highest degree. As the double carrying act of Mrs. Castello and Mr. David Castello (mother and son) existing the most difficult and daring feats were performed by the pair. The double carrying act of Mrs. Castello and Mr. David Castello (mother and son) existing the most difficult and daring feats were performed by the pair.

The burlesque riding act of France Reed, dressed in comical attire as a female, was one of the best features on the program. It was laughable and amusing in the extreme and yet so bold and daring, so skillful and clever was his work that it proclaimed him a bareback rider in a class by himself—champion of champions.

The comedy riding act of Fred Castello and France Reed was great—a regular whirlwind of daredevil horsemanship and breakneck acrobatic performances which were greeted with storms of applause.

The grand double jockey act of David and Fred Castello, assisted by France Reed, was the acme of equestrian skill and daring. They rode in all kinds of ways, and in the most surprising manner, leaped from the stage to the back of the galloping horse and landed on their feet in a standing position with the ease of jumping over a flour barrel, and did various stunts which seemed quite impossible. David and Fred Castello were on the back of one horse together, both astride. France Reed ran, leaped upward, turned a forward somersault and took the back of the horse in a sitting attitude—cross ways—an act we had never seen before. But it was in the Fred Castello jumped from the stage to the horse's back, standing erect; David Castello did the same thing taking a position in front of him and France Reed followed in like manner standing in front of David, the horse thus carrying three men each of whom had jumped from the stage to the animal's back while he was galloping around the arena, and accomplishing the feat without a slip or error of judgment in movement or action. It was great and brought forth tremendous applause.

Charles Castello, youngest of the Castello Brothers, performers, surprised his friends perhaps more than the older boys did. His work on the flying perch—pole was well done. But it was in his loop walking act and with the flying rings that he won the greatest applause and the most took one's breath away by his difficult and death-defying performance.

Fred Nicetti made a funny "old clown." He looked and acted the part well and kept the audience in constant laughter. The children especially enjoyed his antics greatly and without him the performance would not have been near so pleasing a success to them.

Altogether it was a good show—a superb performance by accomplished performers—and those who witnessed it accord it highest praise.

It is a pleasure to tell our readers about a Cough Cure like Dr. Shoop's. For years Dr. Shoop has fought against the use of Opium, Chloroform, or other unsafe ingredients commonly found in Cough remedies. Dr. Shoop it seems, has welcomed the Pure Food and Drug Law recently enacted, for he has worked along similar lines many years. For 25 years Dr. Shoop's Cough Cure has been known to have had a warning printed on them against Opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold by Thomas Bros.
