Election of Town Officers.

A fact which may not be generally known in connection with the election of town commissioners this year is that one half of them will hold office for two years. That is to say that one man from each ward will be elected for two years and one for one year. So each ward should deseginate which of their nominees shall hold the short term and which the long term. The mayor will be elected for the term of one year instond of two years as heretofore.

and from Manitoba to Texas, the testimony of the press and public has been that of unstinted praise. There has not been one dissenting voice among the critics and from a monetary standpoint this attraction has been the envy of all competitors. "The Man on the Box" was dramatized from Harold McGrath's book of the same name, and, contrary to the usual run of book plays, has not proved a disappointment to the readers. The salient features of the story are fully retained and framed in an environment of strong and brisk dramatic action expressed in brilliant and witty dialogue. The hero fits Max Figman's temperament like a glove and he has achieved a marvelous personal success. In fact, the critics regard him today as the leading exponent of light comedy on the American stage. He is an artist in every sense of the word and a strong disciple of the modern school of art. He unites with a magnetic personality a splendid method of expression and delivery, and possesses to a marked degree the quality most admired by the public-serenity. staring this season. Mr. Figman could not have had a play written to order that fits him and his style so well as "The Man on the Box." He has scored of the play is founded on a joke and is fully of genuine comedy and heart in terest. It relates that Lieut. Worburton has seen a young lady on the steamer while returning from Europe who has won his heart but to whom he was unable to be introduced. At home in Washington his sister urges him to accompany her to the Embassy Ball, but he declines. on his sister, and arranges with the family coachman to take his place on the return from the function, with the intention of driving at reckless speed, making ning away, and then finally stopping them and lifting his sister out of the carriage and while in the coachman's livery implanting a hearty kisss upon her heek. He carries out the program until the carriage calls are made when he forgets his proper number and by mistake and delivers the kiss as he planned, be puence is a police cell for the night with charges of reckless driving and abduction to face in the morning. Meeting.

There will be special evangelistic services in the Presbyterian church, beginning next Saturday, April 7th and lasting throughout the week. There will be two services each day, at 11 a. m. and 8 p. m. respectively. The Rev. William Black, D. D., evangelist of the Synod of North Carolina, will preach at these services and he is too well known throughout the town and State, both as a man and preacher, to need any words of commendation from us. The morning service will last one hour. Those who desire to leave their business or close up for the morning service may be assured that they will not be detained for a longer period.

The singing will be under the special direction of Mr. Burr, who accompanies Dr. Black. There will be a special song service every evening at 7.45. All the members of the various church choirs and other singers of the town are invited to co-operate in the service of song, and sit in with the singers.

The public generally are cordially invited to attend all these services.

The News-No Pure Drug Cough Cure Laws would be needed, if all Cough Cures were like Dr. Shoop's Cough Cure is-and has been for 20 years. The National Law now requires that if an poisions enter into a cough mixture, it must be printed on the label or package. For this reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoops labels and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said by those who know it best, a truly remarkably cough remedy. Take no chance, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and see. No poison marks there! You can always be on the safe side by demanding Dr. Shoop's Catarrh Cure. Simply refuse to accept any other. For 10 days only we will give absolutely free one 25c package of Dr. Shoop's Health Coffee with return of \$5.00 worth of rebate checks of April date. We simply do this to better introduce it. Read below what is said about it:

> Dr Shoop's Health Cofiee furnishes a nourishing food and drink combined. It is nearest approach in taste and flavor to real coffee that has yet been producedwithout the illeffects of coffee. Being prepared by a physician-Dr. Shoop-his sole aim has been to eliminate ab solutely the poisons invariably found in all real coffee Dr. Shoop has very nearly matched the true flavor of Old Java and Mocha Coffee. He has blended true gains or cerals, with Malt and Nuts to accomplish this result A trial will convince you. The ill effects of Coffee and Tea has been the physician's greatest obstacle in treating disease. Nervous diseases, derangements of the Heart, Stomach, Liver and Kidneys, are always aggravated by the use of Coffee and Tea. These diseases are oft-times caused entirely by the poisonous caffein in Coffee, or the Thein and Tannin found in Tea. Use Dr. Shoop's Health Coffee and avoid all dangers of this class
