Mr. C. H. Harris who has been city clerk for seven years is a faithful, painstaking official, who has demonstrated he has thoroughly at heart the best interests of the city. His minutest detail.

While the interests of the city have been closely watched, in his dealings with the public Mr. Harris has been ever courteous and obliging and therefore it is easy to understand why he is so popular with every class of our citizenship.

#### Resolutions of Regrets.

The following paper was unanimously adopted at a meeting of the Pastors' Association of Henderson, held on July

Inasmuch as the news has come to us that Rev. J. H. Henderlite, of the Henderson Presbyterian church, has been called to a new field of labor, and that he is so soon to leave Henderson for Fredericksburg, Va., we therefore express to him our sincere regrets that he is so soon to leave us.

We assure him that our association with him has always been the most pleasant. We appreciate most keenly his cheerful disposition, his high moral stand and his Christ-like character as manifested in his daily life and conversation among us. We shall miss him on the streets and in our meetings and in our efforts to advance Christ's cause in our town.

While we shall miss him here we pledge him our prayers that God may richly bless him and his in their new field, and do most earnestly ask his prayers in our behalf as we still try to labor in this field. We trust that it may still be our pleasant privilege to meet with him occasionally while on these mundane shores; but if that pleasure is not appointed, who gave them a hearty granted us we confidently expect to meet with him in the bright beyond to spend a happy eternity in the presence of Him whose we are and whom we serve.
