"Newport of the South."
States' Buildings at the Jamestown...
Exposition Among Most Impressive...
Speculation as to What is to be...
Done With Them When the...
Great Historical Exposition Closes...
in November.

The building is owned by Woodbury...
Langdon, a descendant.
Kentucky has a bungalow, a facsimile...
of Daniel Boone's fort. It is situated...
in a picturesque clump of pines and...
is built of logs from the mountains...
of Kentucky.
The Illinois building is likewise...
elaborately, yet tastefully, furnished.
Its immense fire place is a striking...
feature.
North Carolina's building will make...
a fine summer home, and that of...
Louisiana will command the admiration...
of all who get a glimpse of it. It has...
a fifteen foot gallery in front, with...
eight stately columns and a gallery...
on the side.
With such a magnificent group of...
colonial structures, unequalled in...
picturesqueness and charm by any...
group of buildings on the entire...
American continent, the "Newport of...
the South" is in sight.
Exposition buildings which are at...
tracting a great deal of attention are...
the Auditorium and the Convention...
Hall, which has an auditorium with a...
seating capacity of about 4,000; the...
Palace of Manufactures and Liberal...
Arts, 280x550 feet; the Palace of...
Mechanics and Transportation, 280x550...
feet; the States' Exhibit Building, 300x500...
feet; the Hygienic Building, 100x500...
feet; the Mining and Metallurgy Building, 100x250...
feet; the Pure Food Building, 90x140...
feet; the Palace of History, 124x129...
feet; the Education Building, 124x129...
feet; and others.
One of the largest and most interesting...
on the grounds is the Manufacturing...
and Liberal Arts Building. In this...
building are displayed machinery...
goods of all kinds, indicating the...
progress of America's wonderful...
achievement in manufacturing, arts...
etc., in the short period of three...
hundred years. Improved methods, improved...
machinery, skilled labor are all to be...
seen here. There are exhibits from...
many of the different States. Many...
visitors have admired the excellent...
exhibits of the city of Lynchburg...
and have been especially attracted to...
the exhibit booth where Lynchburg's...
shoe manufacturers are running in...
full operation, machinery right in...
sight of the visitor, showing all...
the detailed process in the making...
of shoes.
Orino Laxative Fruit Syrup is sold...
under a positive guarantee to cure...
constipation, sick headache, stomach...
trouble, or any form of indigestion. If...
it fails, the manufacturer refund...
your money. Parker's Two Drug Stores.

What are Necessary.
A correspondent of the Lumberton...
Robesonian says this in connection...
with Charlotte's recently enacted...
ordinance "blue" laws.
We note that our enterprising...
neighbor, Charlotte, is much...
disturbed over its Sunday laws, and...
the fathers of the city have asked...
Mr. J. A. McKee, their attorney, to...
define for them, legally, the meaning...
of the word "necessaries."
Necessaries, ice cream and milk are...
unnecessary articles of consumption...
under the law, commonly called Sunday...
law. As to ice cream, Mr. McKee is...
dubitative, but is certain that ice...
cream is not a necessary, especially if...
it is in buckets.
We are inclined to agree with him...
as to the last. No man should be...
allowed to have a bucket full of ice...
cream at one time. None but a...
wicked capitalist would think of...
deriving so much "all to one," and...
we know of no better way of bringing...
these monopolists to terms than to...
take away from them their ice cream...
and let them sweat and stew. We...
doubt not that Finley had his...
cream before him when he told the...
Asheville officer to "wait while."
But are ice and milk necessities?
Mr. McKee thinks so, but thinks the...
court must settle the question under...
the ordinance of the city, which, we...
feel sure, Mr. McKee, good and wise...
man and lawyer, neither drew nor...
approves.
And we are here reminded of a...
little story. Some years ago one of...
our judges, a strict prohibitionist...
while holding court in one of the...
Eastern counties, called upon the...
sheriff to fill up the jury box with...
tailsmen. The sheriff, a good fellow...
but sometimes getting a little over...
full, at this time being particularly...
so, stood up for a full two minutes...
and gave out not a sound.
Smiling more blandly still, quoth the...
sheriff, "I'm trying to get some good...
uns." "Will Charlotte make its citizens...
"good uns" with coffee, water...
(without ice) and too much law?"
Here the writer is—dubitative.

Mothers.
Mid life's commotions—dismal fears—
How sweetly breaks upon the ear
Some word of comfort for the cheer:
Yet of our friends there is not another
Who speaks as gently as our mother.
Here disappointments crowd each day,
Our brightest hopes soon fade away,
And friends long trusted oft deceive:
Yet, though we fear to trust each other,
We're not afraid to trust our mother.
Yet here, where there's so much deceit,
Some friend we have who loves us most,
There's love, we know, that will endure,
Not selfish, selfish, but pure;
But though he loves us, sister, brother,
There's none that loves us like our mother.
Among the names to mortal give,
There's none like mother, home and heaven;
And heaven—we know she will be there,
Then let us while we love each other,
Remember and be kind to mother.

Wanted a Man Who Could Fling Dirt.
Marshall Home.
The late Senator Vance enjoyed...
telling jokes on himself. When he...
was practicing law he occasionally...
attended Union courts. On one visit,
as he arrived at the hotel at...
Monteone and was in his room...
brushing off the dust, an old litigant...
entered and, placing a bill of money...
on the table, told Vance he wanted...
to employ him in a case that would...
be called soon after court opening.
He went on to explain that he had a...
lawyer but didn't like him. "Who is...
he and what is the matter?" asked...
Vance. "Mr. Ashe, said the client,
"but he don't manage my case to...
suit me." "Well, now," said Vance,
"Mr. Ashe is one of the best lawyers...
in the State and a perfect gentleman...
besides, and if he can't please you I...
can not help that." "Oh, I know all...
that," replied the client; "I know...
Mr. Ashe is a gentleman, but that is...
the trouble. He's too much of a gentleman...
and you—a man who can fling dirt...
get down and fling dirt."
John Kitha, a prominent dealer of...
Richmond, Va., says: "I have been...
selling DeWitt's Kidney and Bladder...
Pills for about a year and they give...
me the greatest satisfaction than any...
pill I ever sold. There are a dozen...
people here who have used them and...
perfect satisfaction in every case. I...
have used them myself with fine...
results. Sold at Parker's Two Drug...

John Sharp Williams' Victory.
Atlanta Constitution.
The returns indicate that John...
Sharp Williams, representative from...
the eighth Mississippi district, and...
the tactical leader of the democratic...
minority in the house of representatives...
has defeated Governor James K. Vardaman...
by a safe majority in the...
race for the Senate.
The campaign throughout was one...
of practical political sense against...
demagoguery in its rankest form;
sound judgment versus rank pretensions...
of the one hand, and rant and...
pretense on the other.
There could be but one outcome of...
such an issue. The people of Mississippi...
who sent Hernandez De Soto...
money to the Senate, were not prepared...
to support a Vardaman into his...
shoes. A State possessing the...
conservation, the refinement and the...
culture of Mississippi was not content...
to be represented in the highest...
law-making body in the country by a...
fire-eater and a fanatic. The Senate...
is not a fit place for vaudeville...
performances, nor for futile and...
incendiary speeches.
The modification of the fourteenth...
and the repeal of the fifteenth...
amendments are the desire of an...
overwhelming majority of Southern...
people and Southern representatives in...
Congress. Whenever the day comes...
that measures having this in view...
may be proposed with any hope of...
success, able, zealous and sensible...
democratic statesmen will be found...
to give their hearty support.
In the meantime, the talk of...
repealing these two constitutional...
amendments is the veriest political...
bubble, and yet that is the issue on...
which Vardaman made his fight, leading...
his people to believe that he could...
accomplish what he knew to be...
impossible.
As a representative, John Sharp...
Williams has shown judgment and...
discretion. He is an alert, active...
resourceful and aggressive leader. He...
rarely misses an opportunity to...
score on the floor and has exhibited...
a capacity for leadership and a...
mastery of parliamentary tactics...
which were made him a power in the...
house. Mr. Williams has been re-elected...
to the sixtieth congress, which...
meets in December, and will undoubtedly...
be re-elected leader by the...
democratic minority. His term of office...
as Senator does not begin until March...
4, 1911, at which time Senator...
Money will retire. Mississippi...
appreciates the beauties of being...
beforehand.
Governor Vardaman, after his...
spectacular term as governor, during...
which he has striven to exaggerate...
before the whole country, the...
attributes of demagogue and possum...
will probably take his untimely "bill...
of repeal" and his crumpled senatorial...
aspirations, "fold in the lavender...
sheets of memory, wrap them in the...
brown paper of experience and file...
them away in the archives of the...
might have been."
Everybody loves our baby, rosy, sweet and...
warm.
Wish juicy places on her neck and dimples...
on her arms.
Once she was so thin and cross, used to cry...
with pain.
Mother gave her LASCASWEET, now she's...
well again.

Defends Former foe.
Gen. Stoessel, Heroic Defender of...
Port Arthur in the Russian-Japanese...
War, Has Friend and Admirer in...
Whom Negotiations for the...
Surrender of the Fort Were...
Conducted.
Greensboro Industrial News.
It is difficult sometimes for a man...
to know who are his friends and...
who are his enemies.
Some little time ago General...
Stoessel, in command of the Russian...
garrison of Port Arthur, made what...
the world then regarded as a most...
heroic defense against the invading...
Japanese army under Nogi. Finally...
however, after numerous reverses...
after his garrison had been reduced...
by half and those remaining had...
been brought to the verge of starvation...
the Russian commander surrendered.
The world at large looked upon...
this defense of the Russian "Gibraltar...
of the East" as the one bright spot...
in an otherwise disgraceful chapter...
of Russian history, but the Russian...
government for some reason not...
fully disclosed, chose to regard it...
otherwise, and after hesitating and...
delaying for all these years, has...
finally ordered General Stoessel to...
appear for trial before a court martial...
on the charge of having unnecessarily...
surrendered the fortress.
In the face of this ingratitude...
on the part of his own government...
the Russian general has, however, found...
a friend and admirer in an unexpected...
quarter.
This new-found friend is Captain...
Tsunoda, now military attaché to...
the Japanese embassy at Paris, who...
has an intimate personal knowledge...
of what actually took place at Port...
Arthur, having, as a member of...
General Nogi's staff, been the officer...
through whom was conducted the...
negotiations that finally resulted in...
the surrender. In an open letter...
this former foe comes to the aid of...
Stoessel's reputation and holds him...
free from all blame in the matter.
By the press dispatches from Paris...
this decidedly remarkable letter is...
thus described:
The Japanese attaché in his letter...
painted a pitiable picture of the...
conditions prevailing in the fortress...
which he was the first to enter. All...
proper food was exhausted and the...
20,000 Russians under arms were, he...
