women Who Wear Well.

re lanstonishing how great a change a war of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliance vanish like the bloom from a peach which is rudely handled. The matron is only a dim shadow, a faint echo of the charming maiden. There are two reasons for this change, ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weakwhich too often come with marrians and motherhood, not understanding that this secret drain is robbing the cheek of its freshness and the form of its

As surely as the general health suffers when there is derengement of the health of the delicate womanly organs, so surely when these organs are established in health the face and orm at once witness to the fact in reaswed comelmoss. Nearly a million women have found health and ness in the use of Dr. Pierce's Fa-· Prescription. It makes weak woming and sick women well. Ingrediants on label-contains no alcohol or harmful habit-forming drugs. Made wholly of those native, American, medicinal roots most highly recommended by jeading medical authorities of all the several schools of practice for the cure of

Heart Strength

elf, actually diseased. It is almost always a midden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve mply needs, and must have, more power, more bility, more controlling, more governing mgth. Without that the Heart must continue strength. Without that the Heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing Hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this penular prescription—is alone directed to these weak and wasting nerve centers. It builds: it strengthens; it offers real, genuine heart help. If you would have strong Hearts, strong distribute to the success of this great that the celebration would today be as great a success financially as it is in many other respects.

"To give North Carolina this meed of praise is nothing in depreciation of the interest and loyalty shown the Exposition by other States—especially the original thirteen, Of what they have each and all done to contribute to the success of this great

Thin or Nervous?

Our recent reminder to the anti

Intemperate Prohibitionists.

Richmond Times-Dispatch.

saloon forces is recalled and emphasized by the conduct of the prohibitionists at Montgomery, Ala. It is related that women and children crowded the Senate chamber when the prohibition bill came up for action, pushed Senators from their seats, cheered those who spoke in favor of the measure, and hissed down those who opposed it. And all in the name of temperance! If the prohibition bill had applied to Montgomery only, the conduct of these enthusiasts had been most excusable; but the bill applies to the whole Overman, of Salisbury, was the ora-State-to Mobile as well as Montgom- tor of the occasion and this distinery—and Mobile is opposed to prohibition—at least many of her citizens made a speech that had something are, and they are so wrought up that in it. Among some of the things he they are seriously talking of "seced. said was the following: ing" from the State.

prohibition. It is a question of local night. I prize it a distinction to be cide for itself whether or not ardent means so much to your people. ders. Montgomery has the right to decide for herself, but not for Mobile. Richmond has the right to decide for ble, and for your untiring zeal in its cession. It was the same spirit that moved the State of Alabama to secede from the Union. The prohibiwill react and come to naught. The well to take warning from their intemperate brethren and sisters in

Confidence.

Statesville Landmark.

explained that panics were usually the everything going so well. Money season. Through over-speculation or for some similar cause, certain financial concerns in New York became short of cash. They were unable to this State and preserve our forests get currency for immediate needs. The news got abroad and the people from the results of drouths and por Prompt attention given orders became alarmed. There was a run to close. The trouble has been tided | the Charlotte Observer: over in New York and the situation is daily improving.

But that financial flurry in New cotton and other products, the issuby the people engaged in large enterprises, and the low price of cotton, which has in some measure affected business there has been no actual trouble. It it apparently a temporary depression which is hardly noticeable to many people.

In Statesville, for instance, busi-

ness has gone on as usual. The banks have paid out cash without any restrictions and have had no occasion to resort to the use of "scrip." Such an expedient is all right, it has lotte and showed-that he is also a worked well elsewhere and it would not mean that the banks were in dan- of the State-in standing for the ger if it was resorted to, but fortu- movement to give North Carolina a nately the Statesville banks are in port that will benefit the whole State. such a healthy condition that they have not found it necessary to make any change in their manner of doing business. Money is yet scarce and it may be some weeks before the, stringency passes; and the depression in prices may continue for the season. But the fact for our people to consider is that there is no need to be alarmed when there is no cause for it. They are to be congratulated on the fact that they have kept their heads and if they continue to act with prudence and wisdom all will be well and nobody hurt.

These remarks are not made cause there has been unwise action but purely as a word of counsel. If people begin to hoard money, to hold These valuable prizes are on exhibition in our store and the public are cordially invited to come in and look at them.
