"The Noblest Roman of Them All."

In its notes of the Baptist Conven Charity and Children had this about our venerable and beloved townsman, Dr. Hufham:

Dr. J. D. Hufham was on hand and received a warm greeting. He is alowed certain privileges on the floor hat are denied the average delegate. Strangers are sometime a trifle impatient with "the noblest Roman of them all" but those of us who know he value of his halfcentury of service understand. It is rather dangerous ousiness to tackle the old man yet.

The McIver Loan Fund.

Some Things Said About the Meeting of the Vance County Alumnae of State Normal and Industrial College is Called in Henderson on Saturday, January Sixteenth.

> Students of the State Normal and Industrial College, throughout North Carolina have been interested for the past two years in raising a memorial to Dr. Charles D. McIver in the form of a loan

So far Vance county has taken no part in this movement, but in order that the Normal students throughout the county. who are anxious to have a part in the work, may be given the opportunity of doing so, a meeting has been arranged for Saturday morning, January the sixteenth, at eleven o'clock, in the Auditorium of the Graded School building. At this time Miss Etta Spier, field secretary of the Alumnae Association, will

Every one who knew Dr. Charles D. McIver realized that the ruling passion of his life was the education of the women of the State. The alumnae of the Normal College feel that they can honor the memory of their late beloved president in no more fitting way than by the establishment of a loan fund. Such a fund will make it possible for the Normal College, Dr. McIver's greatest monument to reach forth its helping hand to the ambitious girl.

The fund will be known as "The M-Iver Loan Fund" in honor of the man who not only endeared himself to every student and friend of the Normal, but did such lasting work for the cause of education in general. About ten thousand of the flity thousand dollars desired has already been pledged. exchanges, and we are always glad The legal ownership of the fund will be to note its success. It rings true on in the Alumnae Association, which will every important question of the day be incorporated. The funds will be and richly merits the patronage of handled by its representative and audited by its committee. When not in active use the money will probably be deposited in a secure savings bank at four per cent, interest.

> The plan is to keep the fund intact for all time, and to make no disbursements from it in the form of gifts. The end in view is to loan, not give, assistance to worthy young women who could not legal form. As fast as partial payments are received upon these loans they will be put back into the fund to be used over and over again in a similar man-

> Several years ago the General Educa-tion Board offered to give seven thous-and five hundred dollars toward a fund to be known as "The Aumnae Fund and Scholarship Fund," provided the college alumnae would raise a similar sum for the same purpose. This was quickly and willingly done and since 1902 this fund has been in active service. Since its establishment this fund has aided 121 students; in 1905, nine out of a class of twenty-nine; in 1906, seven out of a class of twenty-one; in 1907, thirteen out of a class of forty-six; in 1908, seventeen out of a class of forty-eight. All of these would have been unable to graduate without aid from some source, and while some of them could possibly have secured aid elsewhere, many of them could not have done so. One hundred and twenty-one young women have been oaned money from this fund upon their unsecured notes; not one single note has
