Auction Sale of Jewelry.

Announcement has already been made that A. W. Gholson & Company would at an early date move into the store now occupied by S. S. Drew, and that it was their intention to close out their entire stock regardless of cost as they wish to make good and get them moved by opening an entirely new stock. Their stock was sold down pretty low during the holidays, but they still have more goods on hand than they want to move. Hence, to dispose of these goods and get them moved by fortunate purchasers, Messrs. Gholson & Company are going to inaugurate a grand auction sale beginning at 2:30 o'clock Saturday afternoon, January 9th, and continuing from day to day until \$5,000 worth of goods are sold. Stock consists of diamonds, watches, jewelry, cut glass, china, solid silver, etc., and a rare opportunity will be presented to the people of Henderson and Vance county to purchase such articles at bargain prices.

Mr. Gholson has secured the services of an expert auctioneer to conduct this sale and it will no doubt attract wide attention and draw big crowds while it is on.

In this connection Mr. Gholson would have the GOLD LEAF correct a false rumor that has gotten out. A report is being circulated that he is going to leave Henderson and this sale is inaugurated to close out his business with that end in view. This is absolutely without foundation and he wants it so understood. Henderson is a town in which he has made his business has been very satisfactory since coming here, he likes the place, and if life and strength be given him he purposes making this his home a good many more years yet.

This sale is held, for reasons stated, and those who take advantage of it will avail themselves of an opportunity such as is not often presented to the people of this community.

Notice to Water Consumers.

Superintendent J. H. Bridges, of the Henderson Water Works, gives notice to patrons that the water will be filtered until the new filters are completed, about the first of February.

Work has been underway on the new filtering plant for some time and when this is completed the city water will be as pure in appearance as chemical analysis shows it to be pure in quality.

Will Transmit Money Orders Free.

The Western Union Telegraph Company announces the free transmission of domestic messages for relief of the Italian sufferers, when offered by regular relief committees or public officials. This announcement comes through Superintendent L. J. Maxwell of this division, to Manager A. H. Cheek, of the Henderson office. The statement is further made that applicants for the transfer of money should be referred to banks and the American Red Cross, the latter being the designated channel for the transmission of funds. Messages to Italian sufferers will also be accepted for free transmission to destination when offered by duly constituted relief committees or public officials.

This action on the part of the Western Union Telegraph Company will be duly appreciated, as it should be.

The tender leaves of a harmless lung-healing medicine, cough, cold, give to Dr. Shoop's Cough Remedy, and you will be cured. It is a safe and good remedy, as well. If other remedies failed, tell them not to be your own judge! Sold by all dealers.

Young Man Dies from Accidental Injuries.

While out hunting last Friday Edward Allen, whose home was about four miles from Henderson, accidentally shot himself and died from the effects of his injuries in a Richmond hospital Saturday night. It seems that he was standing on a log looking for a rabbit when the log rolled with him. Holding the gun by the barrel near the muzzle it slipped out of his hand and the hammer striking the log caused it to fire. The lead took effect between the legs and entered the lower portion of the abdomen, inflicting a terrible wound. While there appeared to be no hope for him the wounded man was taken to Richmond and operated upon. This was without avail, however, and he died some hours after the operation was performed.

Deceased was about 25 years old. He was a member of the Vance Guards, Company C, Third Regiment, of Henderson, and was esteemed as a faithful and loyal Guardsman by his comrades. The body was brought to Henderson Sunday afternoon and was taken to the home place, near Cokesbury, for burial. Rev. R. C. Craven, company chaplain, conducted the services, and the dead soldier was buried with military honors.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that fails to cure. Send for list of testimonials.

Deshon Made Good.

B. C. Whitney's Musical Gaety, "A Knight for a Day," Captivates Henderson Audience—A Splendid Attraction Splendidly Produced.

"The best musical comedy Henderson has ever seen." This was the unanimous verdict of the very fashionable and critical audience which witnessed the performance of B. C. Whitney's musical gaety, "A Knight for a Day," as presented by Frank Deshon and a strong supporting company at the Grand Theatre. And the verdict was a correct one—"miserable justice" in that decision. From every point of view it was a brilliant theatrical event—a merry and meritorious performance throughout, and gave great satisfaction to all present.

"A Knight for a Day" is catchy, clever, and captivating. It is a rhythmic, rollicking, musical comedy, full of fun and joyous frolics, carried off in a splendidly finished and finished in its role a splendid vehicle for conveying his humorous eccentricities and his excellent support make it so full of fun that there is a laugh for every minute of the performance.

Frank Deshon as "Jonathan Joy," and Mrs. Frank Deshon, who took the part of "Tilley Day," in the absence of Miss Welly Darrell who was temporarily absent from the company on account of illness, carried off the honors of course, which were shared by Miss Ellen Mack as "Elaine," Miss Ellen Tate as "Muriel Oliver," Bert Young as "Emile Sheldon," Wallace Jenkins, as "Marco," the pretty young women of the chorus, and others who make up the unusual large and clever cast, all of whom were good.

The production is handsomely staged. The electrical effects were fine, the costumes beautiful, the settings appropriate. It was presented with dash and brilliancy—a veritable whirlwind of fun and frolic, laughter and entertainment from curtain rise to final act.

This was Mr. Deshon's first appearance in Henderson but he thoroughly established himself as a prime favorite with local theatre-goers. Manager Antonio de la Cruz, who has seen those who saw "A Knight for a Day" for bringing such a splendid attraction to our town, and on behalf of those who are his debtors the GOLD LEAF makes this acknowledgment.

Capt. W. B. Shaw.

Able Lawyer, Beloved Citizen and Christian Gentleman Passes Away Suddenly at Home of His Son in Oxford—Remains Buried Here.

The death of Capt. W. B. Shaw which occurred at the home of his son, Mr. Henry M. Shaw, in Oxford, about 11 o'clock on the night of December 29th, did not come as a surprise to his Henderson friends. He had been in declining health long time having been forced to give up the practice of law on account of his failing condition. His death was sudden, without lingering helplessness and a care to others, as he had often expressed a wish that if it might be the Lord's will for him to be taken. Capt. Shaw was 65 years of age. He was a prominent lawyer and a fine speaker, and enjoyed more than a local reputation as a man of high legal, oratorical and scholarly attainments. He delighted at all times to pay tribute to the Confederate soldiers and women of the South, and his services were in wide demand as a memorial day orator, on which occasions he was always at his best.

The body was brought to Henderson and buried in the family square at Elmwood Cemetery beside his beloved wife, on Saturday, December 26th. Funeral was held from the residence of his daughter, Mrs. N. P. Strause, at 9:30 o'clock, conducted by Rev. Dr. Hufham, assisted by Rev. A. B. Dunaway of Oxford, Rev. J. R. Doan and Rev. R. C. Craven paying a splendid tribute to the many noble qualities of head and heart of the dead man. Capt. Shaw was for many years a resident of Henderson, and no man was ever more respected or beloved in the community.

The funeral was largely attended a very long procession following him to his last resting place. The floral offerings were profuse and beautiful. Many magnificent pieces were sent by friends from distant places over the State.

The pall-bearers were Col. Henry Perry, Melville Dorsey, A. C. Zollinger, S. R. Harris, L. W. Barnes, J. A. Kelly, Mayor B. J. Southland, Capt. J. T. Elmore, Justice T. T. Hicks, W. S. Parker, A. J. Harris, Maj. P. T. Jones, Thomas M. Pittman, W. W. Parker, C. A. Lewis, Dr. J. H. Tucker, J. L. H. Missillier, honorary.

Many relatives from the Eastern section of the State came to attend the funeral, among them his brother, Dr. H. M. Shaw, of Shawboro, and his sister, Mrs. Wood of Edenton, his son, Mr. Will Shaw, also came from Wisconsin. Among others who came were Hon. A. W. Graham, Gen. B. S. Royster and Mr. A. A. Hicks, of the Oxford bar.

Capt. Shaw leaves five children, Mrs. R. J. Corbett and Mrs. N. P. Strause of Henderson, Mr. Henry M. Shaw, of Oxford; Mr. Will Shaw, of Wisconsin; and Ed. Shaw, of Henderson, together with several grand children.

As another has so well said Capt. Shaw was one of nature's own noblemen, a lawyer of ability, a gifted orator and a Christian gentleman. His home life was ideal, his wife his queen and he rests beside her he adored, both graves covered with flowers, beautiful and rare. As a cadet at Virginia Military Institute (and quite a boy) he was called to the battle of New Market, fought valiantly and afterwards volunteered and served until the close of the Civil War, being promoted several times. He loved "The Lost Cause," and always aided the Vance County Chapter, Daughters of the Confederacy, in their good work. Request in pace!

Whenever we fail to receive the Henderson GOLD LEAF, Charity and Children and the Statesville Landmark we feel that we have missed much. The brethren who preside over the editorial sanctuaries of those papers have a way of expressing their opinions on public questions that is truly refreshing, and they go right to the heart of the subject without mincing matters. It is not necessary to always agree with one's opinions to admire him.

THE SLEEPING SICKNESS WHICH MEANS DEATH

How many readers have heard of this terrible disease? It prevails in that far-away country—Africa—especially the Congo district. It is caused by the bite of the tsetse fly. When it bites a person, the sleeping symptoms begin and finally the sufferer sleeps until death occurs.

Contrast this with the peaceful, happy sleep of health. Is there anything more wearing than to lie awake at night, tossing about, nervous, with cold feet, hot head and heavy eyes? What else? Short of letting the tsetse fly bite us we would do almost anything for relief. How can we prevent it? Mr. George J. Hayes, of Union City, Pa., writes: "I had lost my appetite, was all run-down, could not sleep nights. I had tried everything without relief. Vinol was recommended, and to my surprise, it helped me at once. I gave me a splendid appetite, and now I sleep soundly."

What Vinol did for Mr. Hayes, it will do for every run-down, nervous and overworked person who cannot sleep.
