Confederate Veterans Elect Officers -Mr. B. N. Duke's Gift.

Saturday morning, April 1st, at the ourthouse, Commander J. T. B. Hoover called the Henry L. Wyatt Camp to order promptly at eleven o'clock. After the usual opening exercises several letters were read, among them one asking that this Camp vote for the Gen-

eral Convention to meet in Atlanta in

1912. Then Messrs. M. M. Wilson, Co. B

12th N. C. Regiment, and J. H. Grissom Co. B, 1st N. C. Regiment, were cordially greeted as members of the Camp. This being the last meeting of th Camp year, Commander Hoover gave short synopsis of the past year's events. "Two members have answered the last roll call, J. T. Jones and J. P. Hayden. The Camp, has attended services four times at different churches. Thirty war records of as many members are in the hands of the Commander to be printed in the Camp record book. The meetings of the Camp have been regular. It attended the laying of the monument corner stone May 10th, 1910, and the unveiling on November 10th, the same year, and also attended the reunion of the North Carolina Veterans at Norfolk Last summer the Camp gave a grand

It was hoped that Mr. A. C. Zollicoffer would have something definite to report as to what had been done about but Mr. Zollicoffer had not received the necessary information, so this was necessarily deferred until the May meeting.
Resolutions to be printed in the Gold
Leaf were read, and following this the splendid news was reported by the treasurer of the uniform fund that Mr. B. N. Duke, of Durham, had sent a check for \$100 to be used for this purpose. This gift, and the letter containing it. brought forth much applause. Mr. Duke comes from a line of men who loved and served the South, and this splendid generosity is a token of his real interest in the welfare of the Confederate Veterans. Members of the Camp have contributed \$104, and this, with Mr Duke's gift and what has been given and promised in Henderson, will buy more

than half of the uniforms necessary. It is hoped that they may be had by Memorial Day. The Commander gave notice that the Camp would attend services at the Methodist church the third Sunday in April, and asked all to meet at the courthouse at 10:30 on that day. He also asked all to make an offering, saying that it would be put to a good use before sundown, and \$3.80 was laid on the table. Three war record blanks were brought in and five blanks for Crosses of Honor were filled out, then the meeting ad-
