

A Welcome Change

Smoke curling up from the farmhouse chimney as the men are coming in from the fields, gives a pretty suggestion of a good supper and a comfortable home. But it also means a hot, tired woman, working hard over a blazing fire.

Your wife can escape this with a New Perfection Oil Cook-stove.

A New Perfection keeps a kitchen many degrees cooler than any other range, yet it does all a coal or wood range can do. It saves time, labor and fuel. No wood to cut; no coal to carry; no ashes; no soot. With the New Perfection even it is the best cooking device you can find anywhere.

Made with 1, 2 and 3 burners, with long-tongued blue enamelled chimneys. Hand-burner stove can be laid with or without a cabinet top, which is fitted with drop shelves. Dealers everywhere or write for description card to the nearest agent of the Standard Oil Company (Incorporated).

Remarkable Subscription Offer.

The subscription price of the Gold Leaf is strictly \$1.50 a year, and there is positively no reduction in these figures to anyone. The subscription price of the Progressive Farmer is \$1.00 a year. The price of both papers together would therefore be \$2.50. But we have succeeded in making a special arrangement with the Progressive Farmer whereby we can now offer both papers for a limited time at the remarkably low price of \$1.45 a year, provided always that you are a new subscriber to the Progressive Farmer. This offer is good to both old and new subscribers to the Gold Leaf. The Progressive Farmer is conceded by everybody to be the best agricultural paper published in this country. Every farmer should have it. And every citizen of Vance county should have the Gold Leaf and must have it if he expects to keep fully posted on the affairs of his own county. Here is the best combination offer we shall ever be able to make, and it is good for only a limited time. In each and every instance the cash must accompany the subscription, and all arrears due the Gold Leaf, if any, must be paid in full, in addition to the \$1.45 for both papers a year in advance.

Foley Kidney Pills are composed of ingredients specially selected for their corrective, heating, tonic, and stimulating effect upon the kidneys, bladder and urinary passages. They are antiseptic, antitoxic and uric acid solvent. For sale by all druggists.

ARNOLD'S BALSAM

FOR ALL SUMMER SICKNESSES BY W. W. PARKER.

"I Am Glad"

writes Mrs. Ethel Newlin, of Liberty Center, Ind., that I began to take Cardui, for it has cured me, and I will never forget it. "I cannot praise Cardui too highly for what it did for me. Before I began to take it, I was very pale, suffered great pain and weighed only 85 pounds. Now I have good color, do not suffer and weigh 125 lbs."

Take CARDUI

The Woman's Tonic

Beware of strong, noxious, mineral, drugs, that sink into your system, like lead to the bottom of a basin of water.

Cardui is purely vegetable and contains no poisonous minerals, or dangerous drugs. It is perfectly safe and harmless, for use by old and young, and may be taken, as a tonic, for months, without any possible harmful effect. Try it.

Foley's Orino

Laxative

For Stomach Troubles, Bilious Liver and Habitual Constipation. It cures by aiding all of the digestive organs—gently stimulates the liver and regulates the bowels—the only way that chronic constipation can be cured. Especially recommended for women and children. Clears blotched complexions. Pleasant to take. Refuse substitutes. For Sale by all Druggists.

A Custom That Should Be Changed.

(Gaffney, S. C., Ledger.)

We wish a law could be passed prohibiting the barbaric custom of opening caskets in public at church funerals. It is a relic of dark ages and has no place in a civilized community. It is a source of grief to every tender heart, and is something that the churches and undertakers ought to combine and put to an end. In nine-tenths of the cases it is merely a pandering to a ghoulish curiosity. People who never spoke to the deceased in their life parade around the church, gaze at the form of our loved one, then go to the presence of death, not to talk of the good deeds done in life, but to criticize the appearance of the poor clay that death has left for onerous their mercy. Death is a sacred thing. If we are going on a long journey we do not make our adieu before a gaping crowd; we ought not to be expected to bid our loved one a last goodbye while curious eyes fatten on our grief, and we ought not to be expected to sit in the house of mourning while people we never speak to, who have no claim on our loved one, jostle each other in their desire to view the remains, and then get together and gossip over what they saw or failed to see. We believe that the majority of the people detest the painful scenes which we do and would be more than glad to see them ended, but are afraid to break a "custom." But it is a duty the minister and undertaker owe to themselves and the long suffering public to put a stop to the exhibition, and they will find the public only too glad to uphold them with a hearty amen.

Paupers No Longer Buried at the Expense of City or County.

No longer will paupers, whose relatives fail to pay the expenses, be buried at the expense of the towns or counties in North Carolina. Instead, their bodies, as well as those of criminals under certain conditions, will be used for dissecting purposes in the medical schools of the State. This is the law. It was enacted at the last session of the Legislature. According to this law the medical schools of the State must pay the expense of having the bodies embalmed and of shipping them to the dissecting rooms of the various institutions in the State where the medical course is given.

Honest Medicines Versus Fakes.

President Taft's recent message suggesting an amendment to the Pure Food and Drug law in its relation to prepared medicines, does not refer to such standard medicines as Foley's Honey and Tar Compound and Foley's Kidney Pills, both of which are true medicines carefully compounded of ingredients whose medicinal value is recognized by the medical profession itself as the best known remedial agents for the diseases they are intended to counteract. Compound has been a standard remedy for coughs, colds and affections of the throat, chest and lungs for children and for grown persons, and it retains today its pre-eminence above all other preparations of its kind. Foley's Kidney Pills are equally effective and meritorious. For sale by all druggists.

Plan Up Against It.

Will it ever occur to you that a man's life is full of crosses and temptations? He comes into the world without his consent and goes out against his will and the trip between is exceedingly rocky. The rule of contraries is one of the features of the trip. When he is little the big girls kiss him when he is poor he is a big man, if he is rich he is dishonest. If he needs credit he can't get it, if he is prosperous everyone wants to do him a favor. If he is in politics he is no good in his country. If he doesn't give to charity he is a stingy cuss, if he does it's for show. If he is actively religious he is a hypocrite, if he takes no interest in religion he is a hardened sinner. If he gives affection he is a soft specimen, if he lives to an old age he misses his calling—Exchange.

Hay Fever and Summer Colds Must be Relieved Quickly and Foley's Honey and Tar Compound will do it. E. M. Stewart, 1034 Wolcott Street, Chicago, writes: "I have been greatly troubled during the last summer months with hay fever and colds that by using Foley's Honey and Tar Compound I get great relief." Many others who suffer similarly will be glad to benefit by Mr. Stewart's testimony. For catalog, all druggists.

Absent Minded.

It was in the clubroom and Pat and the Englishman were boasting of the various times they had been attacked by absent-mindedness. "Oh," said the Englishman, "I remember once, when going to business I thought I had left my watch at home, and actually took it out of my pocket to see if I had time to go back home for it."

"Well, that's nothing," rejoined Pat. "One night, after I had left here and gone to bed, I woke up feeling very uncomfortable, and it was not till then I found out that I had put my trousers in bed and hung myself over the back of a chair."

Then the clock stopped—New York Evening Mail.

Those Who Take Foley Kidney Pills

They Are Doing Good.

Farmers' Institutes are doing a wonderful amount of good, in that they stimulate good farmers to better efforts and wake up those who have been nodding over unrealized opportunities. The speakers tell you what can be done by improved methods, such as are practiced on the experiment farms, and how to do the work. Attend the institutes and get the information at first hands. They are held primarily and distinctly for the purpose of helping to better and more profitable farming—Alamance Gleaser.
