Aviator Ely Dashed to Death.

Eugene Ely, the well known avia-tor, was dashed to death at the Georgia State fair on Thursday of last week, shortly after 3 o'clock. His aeroplane refused to rise after a sensational dip and plunged with him fifty feet to the ground. In the presence of nearly 8,000 people, he fell to the middle of the inclosure of the mile track, almost clearing the machine by a desperate leap that he made when he realized his peril. His gained consciousness and muttered:

The camp will hold its first meeting in the new quarters on Saturday morning, No-vember 4th, at 11 o'clock. A special musical program has been prepared for the next meeting and will be in charge of Mrs. I. W. Hughes. All Daughters of the Confederacy, their visitors and all visiting Confederate Veterans are invited to at-

tend these meetings. Clean and Snappy.

Vance is a great county—as it could not help being if it lived up to its great name, as it is doing. Last week's Henderson Gold Leaf told us of a single dish-rag bush that produced rags worth \$18.75, and now it says that Mrs. T. H. Hill has eight stalks of ginger growing in her yard. With plenty of dish rags to make the town cleanly, and therefore Godly, and growing ginger to give the town snap, Henderson is bound to keep on going forward.—Raleigh News and Observer.
