It is stated that William Ostrander made a profit of nearly one thousand dollars per day in 1905, and this im mense profit is the outgrowth of a business which less than ten years ago did not yield two thousand dollars a year. Mr. Ostrander never realized the profits of his business at the start but he had nerve. There are thous ands of schemes lying dormant today which are capable of earning just as much as did that of Ostrander's, but these promoters like "nerve" to do the work which made him a success.-Advertising Chat.
