Hickory Lutheran Church.
 Gentlemen: We want to donate some L. & M. Paint to your church whenever they paint.

The largest Methodist church in Georgia expected to use 100 gallons of the usual kind of paint; they only used 32 gallons L. & M. mixed with 24 gallons Linseed Oil.

It costs less to paint a house with L. & M. than with other paint; because painter mixes Linseed Oil fresh from the barrel at 60 cents a gallon with L. & M., and doesn't pay \$1.50 per gallon for Linseed Oil as done if ready-for-use paint is used. Also because the L. & M. Zinc hardens the L. & M. White Lead and makes the paint wear like iron.

Actual cost L. & M. about \$1.20 per gallon.
 Sold by E. B. Menzies and Co.
