The Legislature of 1897.

A correspondent requests us to print what the Caucasian said of the Legislature of 1897, the last one controlled by the Republicans. It said much but here is one contract that compasses in short space what it said:
"Up to this date the Legislature is a damnable disgrace to the State.

"As to the Legislature of 1897, the one now in session, we have to say as a fact that it has won the contempt of the people generally of all parties and we have to say as an opinion that we do not believe that it can overcome that contempt in two years' time and hence can not get the approval of the people."
"About ten more days remain of the legislative session. Unless there shall be, within this time, an almost miraculous change, the record of the Legislature will be nothing, absolutely nothing. All it will have done when it resigns will be the spending of \$60,000 or \$700,000 of the public funds for which nothing will be returned."

Do we want another Legislature like that?—or worse? If so, vote the Republican ticket

this year for their candidates for the Legislature are more unfit than the men who composed the majority of the Legislature of 1897. Then there were some honest Populists who did prevent some wrongs and protest against the grossest crimes. But now the whole gang is under the control of the Federal office gang and the speculators in South Dakota and Special Tax Bonds, and their Legislature would be nearer like Littleheld's "hands" than the Legislature of 1897 which the Caucasian truly said was "a damnable disgrace to the State."

Last week a man stepped up to us and said he would pay us every cent he owed us if he lived till Saturday night. We presume the man died. Another man said he would pay us in a day or two as sure as we were born. Query: Did the man lie or were we never born? Another said he would settle as sure as shooting. We presume that shooting is very uncertain. Another man said he hoped to go to the devil if he did not pay us within three days. Haven't seen him since; suppose that he has gone, but trust that he did not hope in vain. Quite a number said they would see us to-morrow. They must have been stricken blind, or to-morrow has not come. One man told us six months ago that he would pay as soon as he got some money. The man would not lie, of course he has not got a cent since.—Ex.

Sermon on Our Great Dangers

Rev. J. S. Moody preached a strong sermon at the church of the Ascension Sunday morning on what he considers the three greatest dangers which the Church of Christ has to confront and vanquish in these latter days—the social evil, embracing the inequality in social life, the corruption in business and political life, a divided Christianity and the lack of interest in extending the blessings of the Gospel to others.

WOMEN WHO CHARM

HEALTH IS THE FIRST ESSENTIAL
It Helps Women to Win and Hold Men's Admiration, Respect and Love

Woman's greatest gift is the power to inspire admiration, respect, and love. There is a beauty in health which is more attractive to men than mere regularity of feature.

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study. At the first indication of ill-health, painful or irregular periods, headache or backache, secure Lydia E. Pinkham's Vegetable Compound and begin its use.

Mrs. Chas. F. Brown, Vice-President Mothers' Club, 21 Cedar Terrace, Hot Springs, Ark., writes:

Dear Mrs. Pinkham—
"For nine years I dragged through a miserable existence, suffering with inflammation and female weakness and worn out with pain and weariness. One day noticed a statement by a woman suffering as I was, but who had been cured by Lydia E. Pinkham's Vegetable Compound, and I determined to try it. At the end of three months I was a different woman. Every one remarked about it, and my husband fell in love with me all over again. Lydia E. Pinkham's Vegetable Compound built up my entire system, cured the trouble, and I felt like a new woman. I am sure it will make every suffering woman strong, well and happy, as it has me."

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), displacements, inflammation or ulceration, that "bearing-down" feeling, dizziness, faintness, indigestion, or nervous prostration may be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound.

Hickory Lutheran Church.

Gentlemen:
We want to donate some L. & M. Paint to your church whenever they paint.

The largest Methodist church in Georgia expected to use 100 gallons of the usual kind of paint, they only used 32 gallons L. & M. mixed with 24 gallons Linseed Oil.

It costs less to paint a house with L. & M. than with other paint, because painter mixes Linseed Oil fresh from the barrel at 60 cents a gallon with L. & M., and doesn't pay \$1.50 per gallon for Linseed Oil as done if ready-for-use paint is used. Also because the L. & M. Zinc hardens the paint wear like iron.
Actual cost L. & M. about \$1.20 per gallon.
