BE SURE OF YOUR FIRE INSURANCE.

and be grateful even if some other fellow hugs your wife during the fire. For it's the lucky man that finds both wife and house—value safe when the engines have gone away. It's a saying that "insured houses never burn." True or not, don't leave your house unprotected another day. A small annual premium in the best of companies and you're safe. Attend to it to-day.

Cilnard and Lyerly. CONSUMPTION PREVENTABLE

DISINFECTANT IMPORTANT.

Results Obtained in a Large Institution.

The importance of disinfection is shown by the results obtained at the Brooklyn Home for Consumptives, the finest institution of the kind in New York. A letter from the President is quoted:

"We have used Platt's Chlorides in the Brooklyn Home for Consumptives for more than ten years, and find it not only a comfort but a necessity. Through its use we defy 'the germs' to make any inroads on the nurses and employees who are in constant attendance upon the sick, one hundred of whom are now in the institution. One nurse has been there well on to ten years, a second almost as long, and not one person ever employed in the Home has developed lung trouble"—Mrs. S. V. White, President, Kingston Ave., Brooklyn, N. Y.

Platt's Chlorides is an odorless, colorless liquid disinfectant which instantly removes any foul odors and destroys disease-breeding matter. A quart bottle will last an average family a month and it can be obtained at all druggists.

The John H. Sparks' Shows

Will exhibit at Hickory Tuesday Nov. 20th in the afternoon and night.

The excellent reputation left by the Sparks' Show on former visit to Hickory would alone insure liberal patronage this time, but the lusty growth and vast improvements in the show since its last visit will make it more attractive than ever. Sparks is a man of energy and enterprise, wide experience and ample capital, and he has brought all this to bear in making his show superior to all other similar exhibitions. He has a brand new train of monster railway cars built especially for him, all new gorgeous cages, dens, costly trappings, etc. He has engaged the best talent big salaries can procure. He has expended over \$40,000 in increased equipment. Every effort has been made regardless of cost to make his show satisfying to his pride and advanced ideas. That he has succeeded is amply proven by the way the newspapers speak of his exhibition wherever he has appeared. It is the universal verdict that he has now the most splendid, complete and high-class exhibition of the kind in America.

Everyone should come to town in time to see the gorgeous street parade at noon, and follow the crowd to the show ground and witness the big free exhibition.

Messrs Guy and Mid Ramseur of Lincolnton spent Sunday with their Sister Miss Brent Ramseur.

Mrs. Dr. Stephenson, of Huntersville, is here spending some days with her sister, Mrs. E. A. Cooper.

On last Friday afternoon the Jackson Literary Society of the eighth grade at the Hickory Graded School held their first meeting. A very interesting program was carried out in the discussion of a debate.

The subject was resolved: The Civil war did more harm for the South than Slavery. The debaters were as follows:

Affirmative, William McCombs Auburn Setzer and Harold Shuford; negative, Bessie Rainey Minnie Stevens and Lynda White. The judges decided in favor of the negative.
