Mr. W. H. Sigmon killed a hog this week 22 months old that weighed 534 pounds. Let us know when you beat this.

The first gass plant for Hickory is now being installed at the Edgewood farm. Dr. Nicholson is having this put in for his own convenience to light up residence for cooking purposes, etc. The work is being done by Mr. T. I. Keily, of New York.

Human Blood Marks

A tale of horror was told by marks of human blood in the home of J. W. Williams, a well known merchant of Bac, Ky. He writes: "Twenty years ago I had severe hemorrhages of the lungs, and was near death when I began taking Dr. King's New Discovery. It completely cured me and I have remained well ever since." It cures Hemorrhages, Chronic Coughs, Settled Colds and Bronchitis, and is the only known cure for Weak Lungs. Every bottle guaranteed by C. M. Shuford and E. B. Menzies' Druggist. 50c and \$1. Trialbottle free.

Hickory Lutheran Church.

Gentlemen:

We want to donate some L. & M Paint to your church whenever they paint.

The largest Methodist church in Georgia expected to use 100 gallons of the usual kind of paint, they only used 32 gallons L. & M. mixed with 24 gallons Linseed Oil.

It costs less to paint a house with L. & M. than with other paint, because painter mixes Linseed Oil fresh from the barrell at 60 cents a gallon with L. & M., and doesn't pay \$1.50 per gallon for Linseed Oil as done if ready-for-use paint is used. Also because the L. & M. Zinc hardens the L. & M. White Lead and makes the paint wear like iron.

Actual cost L. & M. about \$1.20 per gallon.

Sold by Shuford Hardware Co.

If you want the people to find it out put it in the Democrat.
