We do not pretend to say where they get liquor or whether it is easier gotten now than it has been. But more folks carrying a full load of it have been seen about the streets recently than for a long time. Some of them don't get arrested but some have been seen the past few days just able to navigate.

Chief Jones informs us that the boys at Lenoir and Morganton that were put under a \$400 bond, being charged with going into Mr. W. G. Don't teach your children that it is a shame to wear worn and patched clothes if you are not able to afford better, but that it is no honor in wearing new ones that are not paid for. A poet said, "Remember, that rags may cover a boy, who will some day be the great world's joy."

If there is one thing more than another in our experience in publishing a local newspaper that makes us tired, it is the practice of some that tell us that we must not say anything about this or that thing that has happened. There are two sides to every question and it would be a very easy matter to formulate a reason why a paper should not report everything.

We Are Workers and Not Quitters.

When it Comes to Auction Sales.

We have the County guessing. We have our own Auctioneer, and a good one he is; knows how to get all there is in the crowd. We also have our own Surveyor to survey property and lay it off into small tracts; large farms into smaller ones. Small propositions sell best.

Let us know your wants in this line. We are in position to give you the best service possible, as we are constantly adding improvements. We have several Auction Sales booked for the near future.

You can buy property from us and leave it to be resold for profits.
